

ADP TotalSource® Retirement Savings Plan

Keep thinking of your future

Why choose the ADP TotalSource Retirement Savings Plan?

The ADP TotalSource Retirement Savings Plan (the “Plan”) is a Multiple Employer 401(k) Plan (MEP) that is offered exclusively to clients of the ADP TotalSource Professional Employer Organization (PEO).

Do you want...

1 To ease the administrative burden of

- Employee enrollment
- Payroll deductions and deposits
- Loan and distribution requests

2 To cut your employer costs

- No additional administrative cost
- No ERISA bond, Form 5500 filing or plan audit

3 A flexible plan design

- Multiple options for eligibility, employer contributions, vesting, etc.
- Safe Harbor plan designs

4 Less fiduciary responsibility

- ADP TotalSource maintains fiduciary oversight on the investments
- ADP TotalSource is your co-fiduciary with respect to plan administration and compliance

5 Help

- Dedicated support for you and your worksite employees
- Convenient access to the Plan through the ADP TotalSource Employee portal and mobile app

Click [here](#) for more information about offering the MEP to your employees.

Let's make this easy! Provide a copy of your current plan's Adoption Agreement and Compliance Testing results to your ADP TotalSource representative.

If you want to maintain your current plan design, our 401(k) MEP Team will review your plan and contact you within five business days.

If you want to change things up, just ask your ADP TotalSource representative to set up a call with a 401(k) MEP Plan Consultant to learn about what our Plan has to offer.

Our MEP will be your MVP!
