IMPORTANT The PARKING benefit is pre-funded on the 20th of each month based on the prior month's election amount. In the event the above **DEADLINE** to submit your online form falls on or after the 20th of the month and/or the PAYROLL* check date is after the pre-fund date -we will make the appropriate changes after we receive the actual PAYROLL file from the Comptroller's Office.

*For example: Your September deduction amount is \$325. Based on that previous amount, your account will be prefunded with \$325 for October on 09/20/26. **BUT** if you submitted an updated election amount for the October benefit month that pre-funded amount will be adjusted accordingly once the 09/25/26 payroll file is received.*

BE AWARE Confirm the deduction amount on your paystub -as this amount will be what is sent on the PAYROLL file and will be loaded to the account. **IF** an adjustment is done in the negative -you will be requested to make a repayment if you used more than your actual PAYROLL deduction.
