What is Critical Illness Insurance?

Critical Illness Insurance pays a lump-sum benefit if you are diagnosed with a covered illness or condition on or after your coverage effective date. You have the option to elect Critical Illness Insurance to meet your needs. Critical Illness Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Features of Critical Illness Insurance include:

- **Guaranteed Issue:** No medical questions or tests are required for coverage.
- **Flexible:** You can use the benefit payments for any purpose you like.
- **Payroll deductions:** Premiums are paid through convenient payroll deductions.
- **Portable:** If you leave your current employer or retire, you can take your coverage with you.

For what critical illnesses and conditions are benefits available?

Critical Illness Insurance provides a benefit payment for the following illnesses and conditions. Covered illnesses/conditions are broken out into groups called “modules”. Benefits are paid at 100% of the Maximum Critical Illness Benefit amount unless otherwise stated. For a complete description of your benefits, along with applicable provisions, conditions on benefit determination, exclusions and limitations, see your certificate of insurance and any riders.

Base Module

- Heart attack (cardiac arrest is not a heart attack)
- Stroke
- Coronary artery bypass (25%)
- Coma
- Major organ failure
- Permanent paralysis
- End stage renal (kidney) failure

Module A

- Benign brain tumor
- Deafness
- Occupational HIV
- Blindness

Cancer Module

- Cancer
- Skin cancer (10%)
- Carcinoma in situ (25%)

How can Critical Illness Insurance help?

Below are a few examples of how your Critical Illness Insurance benefit could be used (coverage amounts may vary):

- Medical expenses, such as deductibles and copays
- Child care
- Home healthcare costs
- Mortgage payment/rent and home maintenance

Who is eligible for Critical Illness Insurance?

- **You**—all active employees working 16+ hours per week.
- **Your spouse***— under age 70 at time of initial enrollment. Coverage is available only if employee coverage is elected.
- **Your children**— to age 26. Coverage is available only if employee coverage is elected.

*The use of “spouse” in this document means a person insured as a spouse as described in the certificate of insurance or rider. This includes domestic partners or civil union partners as defined by the group policy. Please contact your employer for more information.

What Maximum Critical Illness Benefit am I eligible for?

- **For you**
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$5,000, \$10,000, \$15,000, \$20,000 or \$30,000.
- **For your spouse**
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$5,000, \$10,000 or \$15,000 for your spouse.
- **For your children**
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$2,500 or \$5,000 for each covered child.

How many times can I receive the Maximum Critical Illness Benefit?

Usually you are only able to receive the Maximum Critical Illness Benefit for one covered illness or disease within each module. Your plan includes the Restoration Benefit*, which provides a one-time restoration of 100% of the maximum benefit amount in order to pay an additional benefit if you experience a second covered illness for a different condition. Your plan also includes the Recurrence Benefit*, which allows you to receive a benefit for the same condition a second time. It's important to note that in order for the second covered illness or the second occurrence of the illness to be covered, it must occur after 12 consecutive months without the occurrence of any covered critical illness named in your certificate, including the illness from the first benefit payment.

If a partial benefit is paid out, it will not reduce the available maximum benefit amount for the illnesses or diseases in that same module. If you have reached the benefit limit by receiving the maximum benefit in each module, you may choose to end your coverage; however, if you have coverage for your spouse and/or children, you must continue your coverage in order to keep their coverage active. Please see the certificate of coverage for details.

*This benefit does not apply to the cancer module.
