When is my coverage effective?

The effective date of coverage is the date you are eligible to begin filing claims. The condition or illness must occur on or after the coverage effective date.

Open Enrollment

Newly elected coverage becomes effective on January 1 following the election of coverage. Coverage for your spouse and/or children becomes effective on the same date as your coverage.

New hires

- Coverage becomes effective at 12:01 AM on the latest of the following:
 - The date you are eligible for coverage.
 - The first day of the month following the date you return to active employment, if you are not in active employment when your coverage would otherwise become effective.
- Coverage for your spouse and/or children becomes effective on the same date as your coverage.

What Maximum Critical Illness Benefit am I eligible for?

- For you
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$10,000
- For your spouse
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$5,000 for your spouse.
- For your children
 - You have the opportunity to purchase a Maximum Critical Illness Benefit of \$5,000 for each covered child.

How many times can I receive the Maximum Critical Illness Benefit?

Usually you are only able to receive the Maximum Critical Illness Benefit once for each covered condition. Your plan includes the Recurrence Benefit, which allows you to receive a benefit for the same condition a second time. It's important to note that in order for the second occurrence of the illness to be covered, it must occur after 12 consecutive months without the occurrence of any covered critical illness named in your certificate, including the illness from the first benefit payment.

If you have reached the benefit limit by receiving the maximum benefit for each covered condition, you may choose to end your coverage; however, if you have coverage for your spouse and/or children, you must continue your coverage in order to keep their coverage active. Please see your certificate of coverage for details.
