NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
 - **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
 - A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
 - If the person is provided coverage by the guaranty association of another state.
 - Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
 - Employer and association plans, to the extent they are self-funded or uninsured
 - A policy or contract providing any health care benefits under Medicare Part C or Part D
 - An annuity issued by an organization that is only licensed to issue charitable gift annuities
 - Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
 - Any policy of reinsurance unless an assumption certificate was issued
 - Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).
-

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values

 - \$500,000 for health benefit plans (see definition below)

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

"Health benefit plan" is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ndlifega.org, or contact:
