CHANGE OF INSURANCE CARRIERS

In order for this provision to apply, the prior policy's coverage must be similar to Our Policy.

If You are not in Active Employment due to injury or sickness on the effective date of Our Policy, and You would otherwise be eligible to become insured under Our Policy, We will provide limited coverage under Our Policy. Coverage under this provision will begin on Our Policy effective date and will continue until the earliest of the following:

We will provide coverage for a payable claim that occurs while You are covered under the Policy.

- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.

- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If We terminate the Policy for reasons other than the Policyholder's failure to pay premiums, written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by written notice delivered to Us at Our home office prior to the termination date. When both the Policyholder and We agree, the Policy can be terminated on an earlier date.

If the Policyholder or We terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the cancellation will not affect a payable claim.

PORTABILITY

Portability means You have the option to continue Your coverage after it would otherwise terminate, if certain conditions are met.

To continue Your coverage, You must apply for portability and pay the first premium within 31 days of the date Your coverage would otherwise terminate due to any of the following:

- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Insured Persons.
- The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with a similar insurance plan.
- You are no longer eligible for coverage under the Policy.

Ported coverage is subject to all the terms of the Policy and this Certificate.

Premiums will be billed directly to You. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time You apply for portability. We may change the portability premium rates at any time upon 60 days written notice to You.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which You paid premiums, if You stop making a required premium contribution, subject to the grace period.
- The date You die.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first. During the grace period the Policy will remain in force. If full payment is not received by Us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives Us advance written notice of termination, or if We have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If You are on portability, You also have a grace period of 31 days for the payment of any premium due. During the grace period Your coverage will remain in force. If full payment is not received by Us by the end of the grace period, Your coverage will automatically terminate at the end of the grace period. A pro rata premium payment is required for any period Your coverage was in force during the grace period.

- The statement is in writing and is signed by You.
- A copy of that statement is given to You, Your beneficiary or Your personal representative.

INCONTESTABILITY

Except in the case of fraud, no statement made by You in an application relating to Your insurability will be used to contest the insurance for which the statement was made after the coverage has been in force for two years during Your lifetime.

CLERICAL ERROR

Clerical error or omission by Us or by the Policyholder will not:

- Prevent You from receiving coverage, if You are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for You when the coverage would not otherwise be effective.

If the Policyholder gives Us information about You that is incorrect, We will do both of the following:

- Use the facts to decide whether You are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

Dislocations: The Dislocation must be diagnosed by a Doctor within 90 days after a Covered Accident. The Dislocation must require Open or Closed Reduction by a Doctor. The benefit amount will vary based on the type of services received.

If You receive more than one Dislocation in the same Covered Accident, a benefit is payable for all Dislocations. However, the benefit will be no more than two times the benefit amount for the joint involved which pays the highest benefit amount.

If the Doctor diagnoses the Fracture as a Chip Fracture, the benefit will be reduced to 25% of what would have been paid for a Closed Reduction of the same bone. The benefit amount varies based on the type of services received (refer to the SCHEDULE OF BENEFITS).

If You receive more than one Fracture in a Covered Accident, a benefit is payable for all Fractures. However, the benefit will be no more than two times the benefit amount listed for the bone which pays the highest benefit amount.

If You receive a Fracture and a Dislocation in the same Covered Accident, a benefit is payable for both. However, the benefit will be no more than two times the amount for the bone or joint involved which pays the highest benefit amount.

Laceration: A laceration is a cut. The laceration must be treated by a Doctor within 72 hours after a Covered Accident. The benefit amount will be based on the total length of all lacerations requiring repair that are received in any one Covered Accident.
