NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay out: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in disability insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

The **CLAIM PROCEDURES** section of your group life insurance certificate is revised to add the following provision:

Benefit Payments

Benefits under the Group Policy are paid when proof of loss is received.

For Life Insurance, benefits payable due to death will be paid within 60 days of the date ReliaStar Life receives proof of death. If payment is made after the first 30 days, ReliaStar Life will include interest from the 30th day until the date of payment. The interest rate will equal the **greater** of the following –

- The monthly average discount rate on 90-day AA asset-backed commercial paper in effect at the federal reserve bank in the ninth federal reserve district on the date proof of death is received.
 - ReliaStar Life's minimum interest rate payable on death claims on the date proof of death is received.
-

The **GENERAL PROVISIONS** section of your group life insurance certificate is revised to add the following provisions:

The Group Policy also has a 2 year contestable period starting from the Effective Date of the Group Policy. After the Group Policy has been in force for 2 years from the Effective Date, ReliaStar Life can not contest the validity of the Group Policy except for nonpayment of premium.

Grace Period

If a premium is not paid by its due date, ReliaStar Life allows 31 days from the due date in which to pay it. ReliaStar Life calls this the grace period. Full payment must be received by the 31st day. If ReliaStar Life receives payment during the grace period, coverage under the Group Policy stays in force. If ReliaStar Life receives written notice of termination during the grace period, premium payment is required for any period that coverage under the Group Policy was in force during the grace period.

Representations Not Warranties

A copy of the Policyholder's application, if any, is attached to the Group Policy. Unless fraudulent, all statements made by the Policyholder or by you are considered representations and not warranties. No statement can be used to void the Group Policy or be used in ReliaStar Life's defense if ReliaStar Life refuses to pay a claim, unless a copy of the statement is furnished to the Policyholder, you or your beneficiary, as applicable.

Misstatement of Age

If your (or your dependent's, if your certificate includes Dependent's Life Insurance) age is misstated, ReliaStar Life adjusts the premium according to the correct age. The amount of insurance provided is not affected.

Conformity with Montana Statutes

The provisions of this certificate conform to the minimum requirements of Montana law and control over any conflicting statutes of any state in which you reside on or after the effective date of your coverage under the Group Policy.

The **CONVERSION RIGHTS** section of your group life insurance certificate for you (and your insured dependents, if your certificate includes Dependent's Life Insurance) is revised as indicated below.

Under **Conditions for Conversion**, the condition related to change, cancellation or termination of the Group Policy is replaced by the following:

- The Group Policy is changed or cancelled, and your Life Insurance under the Group Policy has been in effect for at least 3 years in a row.

The following provision is added:

If you or your insured dependent are not given written notice of this conversion right within 16 days after any part of this insurance stops, you or your insured dependent will have more time to apply and pay the first premium for the individual policy. This additional time period will end 15 days after you or your insured dependent are given written notice of this conversion right. In no event will the additional time period extend for more than 91 days after any part of your Life Insurance or Dependent's Life Insurance stops.

The provision entitled **Amount of Conversion Coverage** is replaced by the following:

Amount of Conversion Coverage

If your or your insured dependent's Life Insurance is changed or cancelled because the Group Policy is changed or cancelled, and your Life Insurance under the Group Policy has been in effect for at least 3 years in a row, the amount of the individual policy is limited to the lesser of –

- \$10,000, or
- the amount of your or your insured dependent's Life Insurance which stops, minus the amount of other group insurance for which you or your insured dependent become eligible within 31 days of the date your or your insured dependent's insurance stops.

If your or your insured dependent's Life Insurance stops for any reason other than the above, the amount of your or your insured dependent's individual policy may be any amount up to the amount of your or your insured dependent's Life Insurance that stopped.

OREGON ACCELERATED BENEFIT SUMMARY

The Group Policy provides an accelerated benefit if the eligible insured is diagnosed with a terminal condition. This provides payment of a percentage of the death benefit otherwise payable, as noted in the certificate, while the insured is living. The accelerated benefit payment reduces the amount of Life Insurance payable at death.

“Terminal condition” means an injury or sickness which is expected to result in the insured’s death within a time period specified in the certificate, and from which there is no reasonable chance of recovery.

The cost of the accelerated benefit is incorporated into the cost of Life Insurance and is not a separately identifiable premium.

Following payment of accelerated benefits, future Life Insurance premiums for the insured’s coverage will be waived.

Please refer to the certificate for the provision(s) that relate to this Group Policy.

Receipt of accelerated benefits may be taxable and the insured should seek assistance from a personal tax advisor prior to submitting a claim.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited under Utah law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org, or contact:

**BENEFICIARY DESIGNATION MAY NOT APPLY IN THE EVENT OF
ANNULMENT OR DIVORCE**

Under Virginia law (Virginia Code Section 20-111.1), a revocable beneficiary designation in a policy owned by one spouse that names the other spouse as beneficiary becomes void upon the entry of a decree of annulment or divorce, and the death benefit prevented from passing to a former spouse will be paid as if the former spouse had predeceased the decedent. In the event of annulment or divorce proceedings, and if it is the intent of the parties that the beneficiary designation of the former spouse is to continue, you are advised to make certain that one of the following courses of action is taken prior to the entry of a decree of annulment or divorce:

- Change the beneficiary designation to make it irrevocable.
- Change the ownership of the policy or contract.
- Execute a separate written agreement stating the intention of both parties that the beneficiary designation is to remain in effect beyond the date of entry of the decree of annulment or divorce.
- Make certain that the decree of annulment or divorce contains a provision stating that the beneficiary designation is not to be revoked pursuant to Section 20.111.1.
