Please read it carefully and keep it in a safe place.** This Certificate replaces any other Certificates we may have given you for the same level of coverage under the Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group Policy but by itself is not a policy. Your coverage may be changed under the terms and conditions of the Policy. The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

This certificate provides benefits for Cancer. The benefit amount payable is different for a diagnosis of Cancer (Invasive) or Cancer (Non-Invasive) or Skin Cancer. No benefits are payable for premalignant conditions or polyps. Refer to the SCHEDULE OF BENEFITS for benefit amounts. The benefit amount payable for Cancer (Non-Invasive) and Skin Cancer may be substantially less than the benefit amount payable for Cancer (Invasive) due to these differences.

For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. standard time at the Policyholder's address and end at 12:00 midnight standard time at the Policyholder's address. GRACE PERIOD

A grace period of 60 days will be granted for the payment of premiums accruing after the first premium during which grace period the Policy shall continue in force, but the Policyholder shall be liable to us for the payment of the premium accruing for the period the Policy continues in force.

If you are on portability, you also have a grace period of 31 days for the payment of any premium due. During the grace period your coverage will remain in force, but you shall be liable to us for the payment of the premium accruing for the period your coverage remains in force.

TIME LIMIT ON CERTAIN DEFENSES

After three years from the date of issue of the Policy, no misstatement of the Policyholder, except a fraudulent misstatement, made in the application shall be used to void the Policy. After three years from your effective date of coverage under the Policy, no misstatements, except fraudulent misstatements, made by you in your application for coverage shall be used to deny a claim for loss incurred after the expiration of the three-year period.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

NOTICE OF CLAIM

Written notice of claim must be given to us within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of you to us at P.O. Box 20, Minneapolis, MN 55440 or to our authorized agent, with information sufficient to identify you, shall be deemed notice to us.

PROOF OF LOSS

Written proof of loss must be furnished to us within 90 days after the date of such loss. Failure to submit such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of your legal capacity, later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIMS

Indemnities payable under the Policy will be paid to you as they accrue immediately upon receipt of due written proof of such loss.

PHYSICAL EXAMINATION

At our expense, we shall have the right and opportunity to require you (your Person) to be examined as it relates to the Critical Illness that is the basis of the claim. We can require such examination when and as often as we may reasonably require during the pendency of a claim.

BENEFIT PAYMENTS

Benefits are payable to you unless otherwise specified. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
2. Your biological and adopted children, in equal shares.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person's estate.

"Spouse" in this provision means your lawful spouse. It includes your registered domestic partner who is recognized as equivalent to a spouse by California law. It also includes your domestic partner as defined by the Employer if you have completed and signed an affidavit of domestic partnership on a form acceptable to the Employer.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

No action at law or in equity shall be brought to recover on the Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

MISSTATEMENT OF AGE

If your age has been misstated, all amounts payable to you under the Policy shall be such as the premium paid would have purchased at the correct age.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the jurisdiction where the Policy is issued is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

No agent, representative or employee of ours or of any other entity may change or waive the terms of the Policy, or of any Certificate or rider issued under it, except in writing signed by one of our executive officers and endorsed or attached to the Policy.

If there is a conflict between the terms of this Certificate or any attached rider and the Policy, the Policy controls.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness after your coverage effective date. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Critical Illness benefits, including benefits for Cancer (Invasive) and Cancer (Non-Invasive) and Skin Cancer and Benign Brain Tumor, are based on diagnosis and not on treatment or expenses. As an example: A group policy has a \$20,000 critical illness benefit amount. The percentage of the benefit amount payable for Cancer (Invasive) is 100% and the percentage for Cancer (Non-Invasive) is 25%. Under this example, benefits would be calculated as follows:

- **An Employee has a lump in her breast and she is diagnosed with stage III breast cancer. This diagnosis meets the Policy definition of Cancer (Invasive). \$20,000 benefit amount x 100% = \$20,000.**
- **Another Employee has a lump in her breast and she is diagnosed with breast ductal carcinoma in situ (DCIS). This diagnosis meets the Policy definition of Cancer (Non-Invasive). \$20,000 benefit amount x 25% = \$5,000.**

These examples are for illustrative purposes only. Refer to the SCHEDULE OF BENEFITS for coverage amounts and covered conditions. All benefits are subject to the terms of this Certificate.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

Any reference to marriage includes establishment of a domestic partnership. Any reference to divorce includes termination of a domestic partnership.

GENERAL PROVISIONS

- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.

- The date your Spouse is eligible for coverage, if you apply for Spouse coverage on or before that date.
- The date you apply for Spouse coverage.
- The date you return to Active Employment, if you are not in Active Employment when your Spouse's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Spouse's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

This rider terminates on the earliest of the following:

- The date your Certificate terminates.
- The date this rider is terminated for all Insured Persons under the Policy.
- The date you voluntarily cancel this rider.

PORTABILITY

If you are approved by us to continue your coverage under the Certificate's PORTABILITY provision, then this rider can also be continued during portability.

PORTABILITY FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse can apply to continue Spouse coverage if certain conditions are met. Your Spouse must have been insured under this rider on the date of your death or divorce, your Spouse must be under age 70 and your Spouse must apply for portability and pay the first premium within 31 days of the date of your death or divorce.

If your Spouse is approved by us for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under this rider. Your Spouse can decrease, but not increase, the ported coverage amount. Ported coverage is subject to all the terms of the Policy and Certificate.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

PHYSICAL EXAMINATION

At our expense, we shall have the right and opportunity to require your Spouse to be examined as it relates to the Critical Illness that is the basis of the claim. We can require such examination when and as often as we may reasonably require during the pendency of a claim.

BENEFIT PAYMENTS

Benefits under this rider are payable to you. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH OR DIVORCE, any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness after your Spouse's coverage effective date. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Critical Illness benefits, including benefits for Cancer (Invasive) and Cancer (Non-Invasive) and Skin Cancer and Benign Brain Tumor, are based on diagnosis and not on treatment or expenses. As an example: A group policy has a \$20,000 critical illness benefit amount. The percentage of the benefit amount payable for Cancer (Invasive) is 100% and the percentage for Cancer (Non-Invasive) is 25%. Under this example, benefits would be calculated as follows:

- **A Spouse has a lump in her breast and she is diagnosed with stage III breast cancer. This diagnosis meets the Policy definition of Cancer (Invasive). \$20,000 benefit amount x 100% = \$20,000.**
- **Another Spouse has a lump in her breast and she is diagnosed with breast ductal carcinoma in situ (DCIS). This diagnosis meets the Policy definition of Cancer (Non-Invasive). \$20,000 benefit amount x 25% = \$5,000.**

These examples are for illustrative purposes only. Refer to the SCHEDULE OF BENEFITS for coverage amounts and covered conditions. All benefits are subject to the terms of the Certificate and this rider.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and this rider terminates.

Payment of any benefits for your Spouse's Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Spouse's Critical Illness coverage as long as your coverage remains in force.

- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may apply for Children's coverage under this rider within 60 days.

Once a claim for Employee benefits under the Policy has been approved, you are not eligible for any new, increased or additional Children's coverage. Once a claim for Child benefits under this rider has been approved, you are not eligible for any new, increased or additional Children's coverage.

EFFECTIVE DATE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Children are eligible for coverage, if you apply for Children's coverage on or before that date.
- The date you apply for Children's coverage.
- The date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

Your eligible newborn Child is automatically covered for the first 30 days after birth. This includes an adopted newborn Child who is placed with you within 30 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then coverage for the newborn will be at the lowest level available. If you do not already have Children's coverage under this rider, then Child coverage beyond the 30th day is subject to the conditions regarding application and Active Employment and having no approved Employee claims under the Policy.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30-60 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 30-60 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

Coverage for each Child ends on the earliest of the following:

- The date this rider terminates.
- The last day of the month during which the Child reaches age 26, unless he/she is disabled as defined under the definition of Child. Coverage of a disabled Child ends when there is no longer evidence satisfactory to us that the disability is continuing.
- The date your Child's total maximum benefit amount has been paid for all Critical Illnesses.

This rider terminates on the earliest of the following:

- The date your Certificate terminates.
- The date this rider is terminated for all Insured Persons under the Policy.
- The last day of the month during which you voluntarily cancel this rider.
- The date you no longer have any eligible Children covered under this rider. See the PORTABILITY FOLLOWING DEATH provision below.
- The end of the period for which premiums are paid, if the next required premium contribution is not paid, subject to the grace period.

PORTABILITY

If you are approved by us to continue your coverage under the Certificate's PORTABILITY provision, then this rider can also be continued during portability.

PORTABILITY FOLLOWING DEATH

If you die and your Spouse is approved by us for portability under the Spouse Critical Illness Rider, then this rider can be continued under your Spouse's coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date there are no longer any eligible Children covered under this rider.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

PHYSICAL EXAMINATION

At our expense, we shall have the right and opportunity to require your Child to be examined as it relates to the Critical Illness that is the basis of the claim. We can require such examination when and as often as we may reasonably require during the pendency of a claim.

BENEFIT PAYMENTS

Benefits under this rider are payable to you. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH, any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment.

CRITICAL ILLNESS BENEFITS

The benefits for your Children are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate. Benefits for the Additional Child Diseases module are shown below.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis from any previously diagnosed Critical Illness or Additional Child Disease. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Critical Illness benefits, including benefits for Cancer (Invasive) and Cancer (Non-Invasive) and Skin Cancer and Benign Brain Tumor, are based on diagnosis and not on treatment or expenses. As an example: A group policy has a \$10,000 critical illness benefit amount for Children. The percentage of the benefit amount payable for Cancer (Invasive) is 100% and the percentage for Cancer (Non-Invasive) is 25%. Under this example, benefits would be calculated as follows:

- **A Child has a lump in her breast and she is diagnosed with stage I breast cancer. This diagnosis meets the Policy definition of Cancer (Invasive). \$10,000 benefit amount x 100% = \$10,000.**
- **Another Child has a lump in her breast and she is diagnosed with breast ductal carcinoma in situ (DCIS). This diagnosis meets the Policy definition of Cancer (Non-Invasive). \$10,000 benefit amount x 25% = \$2,500.**

These examples are for illustrative purposes only. Refer to the SCHEDULE OF BENEFITS for coverage amounts and covered conditions. All benefits are subject to the terms of the Certificate and this rider.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness and Additional Child Disease. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness and Additional Child Disease in this rider during your Child's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness or Additional Child Disease.

When the total maximum benefit amount for a Child has been paid for a Critical Illness or Additional Child Disease, no further benefits are payable for that Child for that Critical Illness or Additional Child Disease. When the total maximum benefit amount for a Child has been paid for all Critical Illnesses and Additional Child Diseases, no further benefits are payable for that Child. When the total maximum benefit has been paid for all Children for all Critical Illnesses and Additional Child Diseases, no further benefits are payable and this rider terminates.

Payment of any benefits for your Child's Critical Illness or Additional Child Disease will not impact the available BENEFIT AMOUNT for your Critical Illness. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Child's Critical Illness or Additional Child Disease as long as your coverage remains in force.

A diagnosis of any Critical Illness or Additional Child Disease must be made after your Child's live birth and by a Doctor familiar with the diagnosis of the specific condition.

ADDITIONAL CHILD DISEASES MODULE

Benefits for Cerebral Palsy, Congenital Birth Defects, Cystic Fibrosis, Down Syndrome, Gaucher Disease, Type II or III, Infantile Tay Sachs, Niemann-Pick Disease and Pompe Disease are payable when we receive due proof of such condition which is diagnosed after your Child's coverage effective date (including the effective date of any changes to coverage).

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

Honolulu, Hawaii 96813**

**Department of Commerce and Consumer Affairs
Insurance Division
P.O. Box 3614

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner of multiple non-group policies of life insurance.

A clinical diagnosis of Skin Cancer will be accepted as evidence that Skin Cancer exists when a pathological diagnosis cannot be made, provided the medical evidence substantially documents the diagnosis of Skin Cancer.

If your Certificate includes a definition of **Thoracic Aortic Aneurysm**, then that definition is revised to remove any reference to surgical repair being advised.

IV. GENERAL PROVISIONS

V. CRITICAL ILLNESS BENEFITS

If your Certificate includes benefits for Major Organ Transplant (or Major Organ Failure), with reference to the UNOS (United Network Organ Sharing) list, then all references to the UNOS list do not apply.

If your Certificate includes benefits for Parkinson's Disease, then any references to clinical manifestations or activities of daily living are replaced by:

...unable to care for yourself and will continue to decline even with the best medical therapy.

If your Certificate includes benefits for Occupational HIV or Hepatitis B or C, then the following is added:

This benefit does not in any way alter or replace the Employer's obligations under the Workers' Compensation Law.

If your Certificate includes a Child Care Benefit, then the reference to "child" or "children" includes a child placed for adoption.

VI. EXCLUSIONS AND LIMITATIONS

If your Certificate and any riders contain an exclusion for felony or illegal activity, then that exclusion is replaced by the following:

- Participation in a felony.

If your Certificate and any riders contain an exclusion for alcoholism, drug abuse, or misuse of alcohol or taking of drugs, then that exclusion is replaced by the following:

- Alcoholism or drug addiction.

VII. CLAIMS

If the BENEFIT PAYMENTS provision in your Certificate and any riders indicates that there is a time limit on when we will make payment, then that statement is replaced by the following:

Once a claim has been approved, we will make payment immediately upon receipt of due written proof of claim.

VIII. CHILDREN'S CRITICAL ILLNESS RIDER

If your Certificate includes a Children's Critical Illness Rider, then in addition to any changes noted above, this rider is changed as follows:

If the rider includes a benefit for Congenital Birth Defects, then all references to "Congenital Birth Defects" are changed to: "Congenital Anomaly."

In the **DEFINITIONS** section:

If the definition of **Child** or **Children** includes a maximum Child age of less than 25 years, then this maximum is changed to 25 years.

The reference to an adopted child in the definition of **Child** or **Children** is changed to add the following: "Placed" means physical placement in your care, except when physical placement is prevented due to the medical needs of the child, in which case 'placed' means the date you sign an agreement for adoption of the child and assume financial responsibility for the child.

If the definition of **Child** or **Children** includes a requirement that the child be eligible to be claimed by you or your Spouse for federal income tax purposes, then that requirement does not apply to your natural or adopted child.

If the definition of **Child** or **Children** includes any requirements for full-time students over a certain age, then these requirements do not apply.

If the rider contains a definition of **Congenital Birth Defects**, that definition is replaced by the following (if the rider contains no such definition, the following definition is added):

Congenital Anomaly means a condition existing at or from birth that is a significant deviation from the common form or function of the body, whether caused by a hereditary or developmental defect or disease. The term significant deviation is defined to be a deviation which impairs the function of the body, and includes but is not limited to the conditions of cleft lip, cleft palate, webbed fingers or toes, sixth toes or fingers, or defects of metabolism and other conditions that are medically diagnosed to be congenital anomalies.

Examples includes, but are not limited to, the following:

- Heart defects.
- Lung defects.
- Spina Bifida.
- Cleft lip or palate.
- Limb malformations.

Congenital Anomaly includes being born blind without the recommendation of surgery. Congenital Anomaly does not include prematurity.

In the **GENERAL PROVISIONS** section:

If the ELIGIBILITY provision includes a time period following one parent's termination of Employee coverage during which the other parent may enroll for Child coverage, then this time period does not apply.

The following replaces any language in the EFFECTIVE DATE provision specific to a newborn Child (if there is no language specific to a newborn Child, then this is added):

If you have coverage on yourself, your eligible newborn Child is automatically covered for the first 60 days after birth. This includes an adopted newborn Child who is placed with you within 60 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then Child coverage beyond the 60th day is subject to the conditions regarding application and Active Employment.

If you pay any part of the cost of coverage under this rider, the Employer will notify you of the premium required for this rider and the date that either payroll deductions will begin or your first premium payment is due, which will not be less than 31 days following your receipt of the notification.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 60 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 60 days after birth, the "event" will be the date of placement. No additional premium is required.

In the **CRITICAL ILLNESS BENEFITS** section:

If the rider includes benefits for Additional Child Diseases, then this statement is added:

If any Additional Child Disease is also considered a Congenital Anomaly, only one benefit is payable.

In the **EXCLUSIONS** (or **EXCLUSIONS AND LIMITATIONS**) section, if any:

If the rider contains a PRE-EXISTING CONDITION EXCLUSION (or LIMITATION) provision, then the following statement is added to that provision:

A Congenital Anomaly is not considered a Pre-Existing Condition.

IX. ABSENCE FROM EMPLOYMENT PREMIUM WAIVER RIDER

If your Certificate includes an Absence from Employment Premium Waiver Rider, then this rider is changed as follows:

In the **DEFINITIONS** section:

SPECIFIED DISEASE COVERAGE

**THE CERTIFICATE PROVIDES LIMITED BENEFITS
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER MEDICAL EXPENSES**

OUTLINE OF COVERAGE FOR IDAHO RESIDENTS

THIS CERTIFICATE IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the "Guide to Health Insurance for People With Medicare" available from the company.

This coverage is designed only as a supplement to a comprehensive health insurance policy and should not be purchased unless you have this underlying coverage. Persons covered under Medicaid should not purchase it.

Read Your Certificate Carefully. This outline of coverage provides a very brief description of the important features of coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!

Specified disease coverage is designed to provide, to persons insured, restricted coverage paying benefits ONLY when certain losses occur as a result of specified diseases. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

The policy provides a lump-sum benefit if a covered person is diagnosed with any of the covered illnesses/conditions listed on the Schedule of Benefits. Commonly covered conditions include: **heart attack, cancer, stroke, major organ failure, coronary artery disease, and carcinoma in situ (CIS)**. Please consult your certificate and riders for specific information about the conditions covered, how terms are used, any requirements that describe qualifying for a particular loss, and the benefit amounts. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the Policy.

In order for a benefit to be payable, the specified disease must be diagnosed after the covered person's coverage effective date. **A pre-existing condition exclusion or limitation may apply to a specified disease diagnosed during the first year that coverage (or an increase in coverage) is in force. Coverage may reduce based on age.** Benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination. The Policyholder may choose to have an eligibility waiting period, during which time no coverage is in force.

The exclusions that apply to all provisions for specified disease coverage are provided in the "Exclusions" section of the certificate and any riders. The "Schedule of Benefits," the Benefits section(s) and the "Exclusions" section of the certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the policy.

The eligibility requirements for a spouse and children may include age limitations, as provided in the riders. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of any age limitations under the policy.

Your coverage will continue under the policy, while the policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The Policyholder may change the terms of the policy at any time with ReliaStar Life Insurance Company's agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the policy.

MINNESOTA CONTINUATION CERTIFICATE ENDORSEMENT
for Group Critical Illness Insurance

Your Certificate has been changed as follows. Please keep this endorsement with your Certificate. This endorsement is subject to all other terms of the Policy.

If any riders include an EXTENSION FOLLOWING DEATH and/or an EXTENSION FOLLOWING DEATH OR DIVORCE provision, then all references below to "Portability" mean Extension.

I. SPOUSE CRITICAL ILLNESS RIDER

If your Certificate includes a Spouse Critical Illness Rider, then the PORTABILITY FOLLOWING DEATH OR DIVORCE provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse can elect to maintain Spouse coverage if certain conditions are met. Upon your Spouse's request, the Employer will provide your Spouse with information about the cost of maintaining coverage under this provision and how to elect continuation. Your Spouse must have been insured under this rider on the date of your death or divorce, and your Spouse must elect continuation and pay the first premium within 90 days of the date of your death or divorce.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Spouse becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your Spouse.

Coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Spouse according to this rider's TERMINATION provision.
- The date your Spouse becomes covered under any group critical illness or specified disease policy as an employee, member or spouse.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

If your Spouse Critical Illness Rider does not include a PORTABILITY FOLLOWING DEATH OR DIVORCE provision, then the provision above is added to the rider.

Any references to Portability in the BENEFIT PAYMENTS provision on the Spouse Critical Illness Rider are replaced by the following:

For MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits unpaid at your Spouse's death will be paid to your Spouse's estate.

If your Spouse Critical Illness Rider does not include references to Portability in the BENEFIT PAYMENTS provision, then the above statement is added to the BENEFIT PAYMENTS provision on the rider.

II. CHILDREN'S CRITICAL ILLNESS RIDER

If your Certificate includes a Children's Critical Illness Rider, then the PORTABILITY FOLLOWING DEATH provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH

If you die while this rider is in force, Children's coverage can be maintained if certain conditions are met. Your Children must have been insured under this rider on the date of your death. Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

If your Spouse has elected Minnesota continuation under the Spouse Critical Illness Rider, then your Spouse may also elect continuation of this Children's Critical Illness Rider at the same time. If you do not have an eligible Spouse insured under the Spouse Critical Illness Rider at the time of your death, then each eligible Child insured under the Children's Critical Illness Rider may elect Minnesota continuation and pay the first premium within 90 days of the date of your death.

Upon request of your Spouse, Child or the Child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to your Spouse, Child or Child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your Spouse, Child or Child's legal guardian as applicable.

If your Spouse or the Child's legal guardian dies while a Child's coverage is in force under this provision, then the Child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the Child's coverage under this provision.

Each Child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Child according to this rider's TERMINATION provision.
- The end of the period for which premium are paid for the Child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the Child becomes covered under any group critical illness or specified disease policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

If your Children's Critical Illness Rider does not include a PORTABILITY FOLLOWING DEATH provision, then the provision above is added to the rider.

The following provisions are also added to the Children's Critical Illness Rider:

MINNESOTA CONTINUATION FOLLOWING DIVORCE

If you divorce and your former spouse has elected Minnesota continuation under the Spouse Critical Illness Rider, then this Children's Critical Illness Rider can be maintained under your former spouse's coverage for each child whose coverage would otherwise terminate due to the divorce. Upon your former spouse's request, the Employer will provide your former spouse with information about the cost of maintaining coverage under this provision and how to elect continuation.

Premiums will be billed directly to your former spouse. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your former spouse.

If your former spouse dies while a child's coverage is in force under this provision, then the child or their legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

Each child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the child according to this rider's TERMINATION provision.
- The end of the period for which premiums are paid for the child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the child becomes covered under any group critical illness or specified disease policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD

If your Child's coverage under this rider would otherwise terminate because the child no longer meets the definition of Child in this rider, for a reason other than your death or divorce, then the child can elect to maintain Child coverage under this rider for a period of time. The child (or the child's legal guardian) must elect continuation and pay the first premium within 90 days of the date of loss of eligibility.

Upon request of the child or the child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to the child or child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to the child or child's legal guardian as applicable.

If the child's legal guardian dies while the child's coverage is in force under this provision, then the child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

A child's coverage maintained under this provision will end on the earliest of the following:

- 36 months after the date continuation under this provision started.
- The date coverage would otherwise terminate for the child according to this rider's TERMINATION provision.
- The end of the period for which premiums are paid for the child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the child becomes covered under any group critical illness or specified disease policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

Any references to Portability in the BENEFIT PAYMENTS provision on the Children's Critical Illness Rider are replaced by the following:

For MINNESOTA CONTINUATION FOLLOWING DIVORCE, benefits will be paid to your former spouse, and any accrued benefits unpaid at your former spouse's death will be paid to your former's spouse's estate. For MINNESOTA CONTINUATION FOLLOWING DEATH or MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD, benefits will be payable to the person responsible for premium payments for that child, and any accrued benefits unpaid at that person's death will be payable to that person's estate.

If your Children's Critical Illness Rider does not include references to Portability in the BENEFIT PAYMENTS provision, then the above statements are added to the BENEFIT PAYMENTS provision on the rider.

SPOUSE ENDORSEMENT FOR NEW HAMPSHIRE RESIDENTS

Your Certificate(s) and Spouse rider(s) have been changed as follows. Please keep this endorsement with your Certificate(s). This endorsement is subject to all other terms of the Policy.

If your Certificate contains definitions of "You and Your" and "We, Us and Our", then all references to "you" and "your" in this endorsement mean "You and Your" as defined in your Certificate, and all references to "we" and "us" and "our" in this endorsement mean "We, Us and Our" as defined in your Certificate.

I. CONTINUATION FOLLOWING DIVORCE OR LEGAL SEPARATION

If you divorce or legally separate, and the final decree of divorce or legal separation does not expressly prohibit continuation of coverage for your former Spouse, then your former Spouse can elect to continue Spouse coverage for a limited time. The former Spouse must have been insured under our Policy as your Spouse on the date before the date of divorce or legal separation. In order to continue coverage under this provision, the former Spouse has 30 days after the date of divorce or legal separation in which to make the election, pay the first premium, and provide us with the final decree of divorce or legal separation.

When we put the former Spouse on continuation under this provision, the former Spouse becomes the owner of that Spouse coverage under the Policy. All Spouse benefits are payable to the former Spouse. Premiums will be billed directly to the former Spouse. Continued premium payment is required to keep coverage in force. The benefits and premium rates for Spouse coverage continued under this provision will remain the same as though the former Spouse were still eligible as your lawful Spouse. Spouse coverage may not be increased.

Spouse coverage continued under this provision will end on the earliest of the following:

- The 3-year anniversary of the final decree of divorce or legal separation.
- The date of the former Spouse's remarriage.
- The date of your remarriage.
- The date the former Spouse dies.
- The date you die.
- The end date of coverage, if any, as provided by the final decree of divorce or legal separation.
- The end of the period for which the former Spouse paid premiums, if the former Spouse stops making a required premium contribution, subject to the grace period.
- The date the Policy terminates.

If all of the following are true:

- the former Spouse's coverage was being continued under a similar provision of the Employer's prior group policy that provided the same type of coverage as our Policy,
- your coverage under the prior policy is replaced by coverage under our Policy, and
- the former Spouse's coverage under the prior policy stops due to the prior policy's termination,

then the former Spouse can elect to continue the Spouse coverage for the remainder of the time period described above while our Policy is in force. The benefits, premium rates and all other terms for continued Spouse coverage are subject to the terms of our Policy. In order to continue Spouse coverage, the former Spouse has 30 days after your coverage effective date under our Policy in which to make the election, pay the first premium, and provide us with proof of their eligibility for continuation under the prior policy.

II. EFFECTIVE DATE

This endorsement is effective for you on or after the later of the following dates:

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

"Health benefit plan" is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ndlifega.org, or contact:

**NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. Policyholders with additional questions should first contact their member insurer or agent. You can obtain additional information from the Association by contacting it at the address below. NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ADDITIONAL INFORMATION

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

Information about the financial condition of insurers is available from a variety of sources, including financial rating agencies such as A.M. Best Company, Fitch Ratings, Moody's Investors Service, Inc., and Standard & Poor's. Additional information about financial rating agencies may be obtained by clicking on "Useful Links" on the website of the South Dakota Division of Insurance at www.dlr.sd.gov/insurance

The Guaranty Association is subject to supervision and regulation by the director of the South Dakota Division of Insurance. Persons who desire to file a complaint to allege a violation of the statutes governing the Guaranty Association may contact the Division of Insurance. State law provides that any suit against the Guaranty Association shall be brought in Hughes County, South Dakota.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

 - a. The specific reason(s) for the denial.
 - b. Specific reference to the provision which forms the basis of the denial.
 - c. A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
