## **NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

### **COVERAGE**

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
  - 80% of death benefits but not to exceed \$300,000
  - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
  - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website [www.califega.org](http://www.califega.org).

## **COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE**

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

---

## **NOTICES**

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. **NOTICE CONCERNING COVERAGE LIMITATIONS  
AND EXCLUSIONS UNDER THE HAWAII LIFE AND  
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

**DISCLAIMER**

**The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.**

**Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.**

**Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.***

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

## COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals).

## LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay out: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in disability insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

## Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o \$500,000 in death benefits
  - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - o \$500,000 in hospital, medical and surgical insurance benefits
  - o \$500,000 in long-term care insurance benefits
  - o \$500,000 for disability income insurance benefits
  - o \$500,000 in other types of health insurance benefits
- Annuities
  - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

**NOTE: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

**Insurance companies and agents are prohibited under Utah law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.**

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.utlifega.org](http://www.utlifega.org), or contact:
