We will pay a COMMON INJURIES benefit (as shown on the SCHEDULE OF BENEFITS) if you receive any of the services or meet any of the conditions described below as the result of Injuries received in a Covered Accident. The Injury must occur while you are covered under the Policy.

Burns: The burn must be treated by a Doctor within 72 hours after a Covered Accident. The benefit amount varies based on the burn classification (refer to the SCHEDULE OF BENEFITS). If your burn meets more than one of the burn classifications, the higher amount will be payable. This benefit is payable once per Covered Accident.

Concussion: The concussion must be diagnosed by a Doctor within 72 hours after a Covered Accident. The diagnosis must be confirmed by the use of some type of medical imaging procedure; i.e. x-ray, CT scan or MRI.

Dislocations: The Dislocation must be diagnosed by a Doctor within 90 days after a Covered Accident. The Dislocation must require Open or Closed Reduction by a Doctor. The benefit amount will vary based on the type of services received.

- If the reduction is done without anesthesia, the benefit will be reduced to 25% of what would have been paid for a Closed Reduction of the same joint.
- If the Dislocation is incomplete, the benefit will be reduced to 25% of what would have been paid for a Closed Reduction of the same joint.

If you receive more than one Dislocation in the same Covered Accident, a benefit is payable for all Dislocations. However, the benefit will be no more than two times the benefit amount for the joint involved which pays the highest benefit amount.

If you receive a Dislocation and a Fracture in the same Covered Accident, a benefit is payable for both. However, the benefit will be no more than two times the amount for the bone or joint involved which pays the highest benefit amount.

If you receive a Dislocation or a Fracture and you tear, rupture or sever a tendon/ligament/rotator cuff in the same Covered Accident, only one benefit is payable. The benefit payable will be the largest of either the Dislocation, the Fracture or the tendon/ligament/rotator cuff benefit.

This benefit is payable once per Covered Accident. **Exception:** Subsequent Dislocations of the same joint in a different Covered Accident are not covered.

Emergency Dental Work: Natural teeth must be damaged due to a Covered Accident and either extracted or repaired by the placement of a crown. The benefit amount varies based on the type of services received (refer to the SCHEDULE OF BENEFITS). This benefit is payable once per Covered Accident regardless of the number of teeth involved.

Eye Injury: The eye Injury must be treated by a Doctor within 90 days after a Covered Accident. The Injury must require surgery or the removal of a foreign object by a Doctor. The benefit amount varies based on the type of services received (refer to the SCHEDULE OF BENEFITS). This benefit is payable once per Covered Accident. No benefit is payable for examination with anesthesia or for an Injury to the Eyelid.

Fractures: The Fracture must be diagnosed by a Doctor within 90 days after a Covered Accident. The Fracture must require Open or Closed Reduction by a Doctor. If the Doctor diagnoses the Fracture as a Chip Fracture, the benefit will be reduced to a percentage of what would have been paid for a Closed Reduction of the same bone. The benefit amount varies based on the type of services received (refer to the SCHEDULE OF BENEFITS).

If you receive more than one Fracture in a Covered Accident, a benefit is payable for all Fractures. However, the benefit will be no more than two times the benefit amount listed for the bone which pays the highest benefit amount.

If you receive a Fracture and a Dislocation in the same Covered Accident, a benefit is payable for both. However, the benefit will be no more than two times the amount for the bone or joint involved which pays the highest benefit amount.

If you receive a Fracture or a Dislocation and you tear, rupture or sever a tendon/ligament/rotator cuff in the same Covered Accident, only one benefit is payable. The benefit payable will be the largest of either the Fracture, the Dislocation or the tendon/ligament/rotator cuff benefit.

Laceration: A laceration is a cut. The laceration must be treated by a Doctor within 72 hours after a Covered Accident. The benefit amount will be based on the total length of all lacerations requiring repair that are received in any one Covered Accident. If the laceration is severe enough to require stitches but the Doctor chooses to repair it another way, the benefit will be determined as if the laceration was stitched. This benefit is payable once per Covered Accident.

The benefit amount varies based on the number of repairs required and the services received (refer to the SCHEDULE OF BENEFITS). This benefit is payable once per Covered Accident.

If you receive a Dislocation or a Fracture and you tear, rupture or sever a tendon/ligament/rotator cuff in the same Covered Accident, only one benefit is payable. The benefit payable will be the largest of either the Dislocation, the Fracture or the tendon/ligament/rotator cuff benefit.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
