

**IMPORTANT: This is a fixed indemnity policy,
NOT health insurance**

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

- **Visit [HealthCare.gov](https://www.healthcare.gov)** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments."

How does it work?

With Hospital Indemnity Insurance, you'll receive a fixed daily benefit if you have a covered stay in a hospital, intensive care unit*, or rehabilitation facility that occurs on or after your coverage effective date. Benefit amounts are listed below and depend on the type of facility and number of days of confinement. Any combination of facility confinement and admission benefits payable includes a limit, please see your certificate for further confirmation. And for a complete description of your available benefits, exclusions and limitations, see your certificate of insurance and any riders. For a list of standard exclusions and limitations, go to the end of this document.

1 When your stay begins

When you are admitted to a covered medical facility, you become eligible for an admission benefit for the first day of confinement. This benefit is payable once per confinement, up to a maximum of 8 admission(s) per calendar year:

Type of Admission	Benefit Amount Low	Benefit Amount High
Hospital Admission	\$1,100	\$2,200

As your stay continues

Beginning on Day 2 of your confinement, for each day that you have a stay in a covered facility, you'll be eligible for a fixed daily benefit payment. The benefit amount and maximum number of days per confinement varies by facility:

Type of Facility	Daily Benefit Low	Daily Benefit High
Hospital (10 day maximum per confinement)	\$100	\$200
Intensive Care Unit* (10 day maximum per confinement)	\$200	\$400
Rehabilitation Facility (10 day maximum per confinement)	\$50	\$100
Observation Unit (at least 4 consecutive hours, other than inpatient. Not payable for any day that a facility confinement or admission benefit is payable)	\$100	\$200

*An Intensive Care Unit may be referred to as a "Critical Care Unit" in your certificate of coverage. An ICU Transitional Care Unit may be referred to as a "CCU Step-Down Unit" in your policy documentation. Refer to your policy documentation for complete definitions and descriptions of each facility type.
