THIS IS LIMITED BENEFIT INDEMNITY COVERAGE

Benefits are paid for Hospital Confinements and other covered losses as defined in the Certificate. The Policy does not constitute comprehensive health insurance coverage (often referred to as "major medical insurance coverage"). In addition, the Policy does not satisfy the requirement of minimum essential coverage under the Affordable Care Act. Benefits are paid under the Policy for Hospital Confinement or other covered losses as indemnity insurance and are not intended to cover medical expenses.

ReliaStar Life Insurance Company certifies that we have issued the group Policy listed above to the Policyholder. The Policy is available for you to review if you contact the Policyholder for more information. **This is your Certificate as long as you are eligible for coverage and you become insured. Please read it carefully and keep it in a safe place.** This Certificate replaces any other Certificates we may have given you for the same level of coverage under the Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group Policy but by itself is not a policy. Your coverage may be changed under the terms and conditions of the Policy. The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. standard time at the Policyholder's address and end at 12:00 midnight standard time at the Policyholder's address. The coverage under the Policy is conditionally renewable according to the terms and provisions of the Policy.

We may change the portability premium rates at any time upon 60 days written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The date you die.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the grace period the Policy will remain in force. If full payment is not received by us by the due date, we will give written notification to the Policyholder that if the premium is not paid by the end of the grace period then the Policy will end on the last day of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period.

If you are on portability, you also have a grace period of 31 days for the payment of any premium due. During the grace period your coverage will remain in force. If full payment is not received by us by the end of the grace period, your coverage will automatically terminate at the end of the grace period. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES

- The statement is in writing and is signed by you.
- A copy of that statement is given to you or your personal representative.

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE

If premiums are based on your age and you have misstated your age, we will make a fair adjustment of benefits to reflect the amount that the premium paid would have purchased at your true age. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

No assignment of benefits under the Policy is valid, unless otherwise specified in the Policy.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss. The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us written proof of claim without waiting for the form. If such written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits are payable to you unless otherwise specified. Once a claim has been approved, we will make payment immediately upon, or within 30 days after, receipt of proof of claim. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children, in equal shares.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person's estate.

If a survivor entitled to receive a payment has a special needs trust established, we will make payment to that person's trust instead of to the person directly.

"Spouse" in this provision means your lawful spouse.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

PORTABILITY FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse can continue Spouse coverage if certain conditions are met. Your Spouse must have been insured under this rider on the date of your death or divorce, your Spouse must be under age 70 and your Spouse must elect portability and pay the first premium within 31 days of the date of your death or divorce.

If your Spouse is accepted by us for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under this rider. Your Spouse can decrease but not increase the ported coverage amount.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

- Suicide, attempted suicide or any intentionally self-inflicted Injury, while sane or insane.
- War or any act of war, whether declared or undeclared (excluding acts of terrorism).

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us written proof of claim without waiting for the form. If such written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

PROOF OF CLAIM

You must send us written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Spouse to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require your Spouse to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits under this rider are payable to you. Once a claim has been approved, we will make payment immediately upon, or within 30 days after, receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. SCHEDULE OF BENEFITS

WHO PAYS FOR THE COVERAGE

You pay the cost of coverage under this rider.

BENEFIT AMOUNTS

The benefit amounts for your Children are the same as the Employee BENEFIT AMOUNTS as shown in the SCHEDULE OF BENEFITS section of the Certificate.

DEFINITIONS

General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Children.

Child or Children means a child from live birth but less than 26 years of age who is one of the following:

- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
- Your foster child or a child or grandchild for whom you are a legal guardian.
- Your grandchild if the child's parent is insured as your Child under this rider.

The child must also meet all of the following conditions:

- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Employee or Spouse.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches the limiting age. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing. Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit.

Routine Childbirth means your Child's delivery of a child or children by vaginal delivery or elective cesarean section. It also means your newborn Child's birth by vaginal delivery or elective cesarean section.

Spouse means your lawful spouse.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.
- Your Hospital Confinement Indemnity coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may apply for Children's coverage under this rider within 31 days.

EFFECTIVE DATE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Children are eligible for coverage, if you apply for Children's coverage on or before that date.
- The first day of the month following the date you apply for Children's coverage.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical Leave of Absence and paid time off for nonmedical-related absences.

If you have Employee/Member coverage but you do not have Children's coverage under this rider, and you acquire a new eligible Child due to birth, your eligible newborn Child is automatically covered under the terms of this rider for the first 90 days after birth. This includes an adopted newborn Child who is placed with you within 30 days after birth. The effective date of any coverage you apply for after birth is subject to the conditions above including Active Employment. Coverage beyond the 90th day is subject to the conditions above regarding application and Active Employment.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional coverage due to an increase in the Employee coverage amount will take effect on the same date as the Employee coverage increase.

Any decrease in coverage due to a decrease in the Employee coverage amount will take effect on the same date as the Employee coverage decrease, but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

Coverage for each Child ends on the earliest of the following:

- The date this rider terminates.
- The last day of the month during which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.

- For your newborn Child, the 91st day after the newborn Child's birth, if Children's coverage under this rider is not otherwise effective on that date according to the EFFECTIVE DATE provision.

This rider terminates on the earliest of the following:

- The date your Certificate terminates.
- The date this rider is terminated for all Insured Persons under the Policy.
- The last day of the month during which you voluntarily cancel this rider.
- The date you no longer have any eligible Children covered under this rider.
- The end of the period for which premiums are paid, if the next required premium contribution is not paid, subject to the grace period.

We will provide coverage for a payable claim that occurs while your Child is covered under this rider.

PORTABILITY

If you are accepted by us to continue your coverage under the Certificate's PORTABILITY provision, then this rider can also be continued during portability.

PORTABILITY FOLLOWING DEATH

If you die and your Spouse is accepted by us for portability under the Spouse Hospital Confinement Indemnity Rider, then this rider can be continued under your Spouse's coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date there are no longer any eligible Children covered under this rider.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
 - **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
 - A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
 - If the person is provided coverage by the guaranty association of another state.
 - Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
 - Employer and association plans, to the extent they are self-funded or uninsured
 - A policy or contract providing any health care benefits under Medicare Part C or Part D
 - An annuity issued by an organization that is only licensed to issue charitable gift annuities
 - Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
 - Any policy of reinsurance unless an assumption certificate was issued
 - Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

**NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

 - a. The specific reason(s) for the denial.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
