EFFECTIVE DATE OF COVERAGE

For Noncontributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for coverage.

For Contributory coverage, you will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you are eligible for coverage, if you enroll for coverage on or before that date.
- The date you enroll for coverage.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve your Evidence of Insurability, if Evidence of Insurability is required.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

We will provide continuity of coverage under our Policy if both of the following are true:

- You are not in Active Employment due to sickness or injury or due to an Employer-approved non-medical leave of absence on the date the Employer changes insurance carriers to our Policy.
- You were covered under the prior group life policy, including payment of premiums to the prior insurance carrier when due, on the day before the coverage for your eligible class under our Policy became effective.

You are not eligible under this provision if any of the following are true:

- Your coverage is being continued under a waiver of premium (or any similar) provision of the prior policy.
- Your coverage is being continued under a continuation or portability provision of the prior policy.
- You converted your coverage with the prior insurance carrier.
- You are not in Active Employment due to reasons other than sickness, injury or an Employer-approved non-medical leave of absence.

If you are eligible for continuity of coverage under this provision, we will provide limited coverage under our Policy. Coverage under this provision will begin on the date your eligible class is covered under our Policy and will continue until the earliest of the following:

- The date you return to Active Employment.
- The date the Employer-approved leave of absence ends.

- The date your continuation would end under the terms of our Policy.
- The date your continuation would have ended under the terms of the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.
- 12 months following the date you were last in Active Employment.

Your coverage under this provision is subject to payment of Premiums.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount you are eligible for under our Policy. We will reduce our payment by any amount paid under the prior policy.

If your coverage under this provision ends while the Policy is in force, and you are not otherwise eligible for insurance under the Policy, then you will be eligible for conversion as described in the CONVERSION provision.

If you were not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The date coverage for all Active Associates under the Policy terminates.
- The date you are no longer in an eligible class.
- The date your eligible class is no longer covered.
- The date you voluntarily cancel your Contributory coverage, as allowed by the Employer.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy grace period.
- The last day you are in Active Employment. This does not apply to Retirees.

We will pay benefits for a loss that occurs while you are covered under the Policy.

CONVERSION

You may convert your life insurance, without Evidence of Insurability, to an individual life insurance policy if any part of your life insurance under the Policy stops for one of the following reasons:

- Your coverage ends according to the TERMINATION OF COVERAGE provision other than your voluntary cancellation of your Contributory coverage.
- Any continuation of insurance under the Policy ends.
- Your coverage reduces due to your change from one eligible class to another.
- Your coverage reduces due to a Policy change.

Only life insurance is eligible for conversion. The maximum amount of life insurance you are eligible to convert cannot be greater than the amount of life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which you remain eligible under the Policy are not eligible for conversion.

To convert your life insurance, you must apply and pay the first premium to us within 31 days of the date any part of your life insurance under the Policy terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of your life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

You may apply to convert the entire amount of life insurance that is terminating under the Policy, or a lesser amount. The maximum amount of life insurance coverage you are eligible to convert will be reduced by any amount of life

insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your class of risk, and your attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept your application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, your life insurance will continue under the terms of the Policy. If you die within the conversion period, any life insurance amount that you were entitled to convert will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

If you have made an absolute assignment of your insurance, only the current owner may apply for conversion.

INCONTESTABILITY

Any statement made by you is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the Premium.

An error will not end insurance validly in effect, nor will it continue insurance validly ended.

MISSTATEMENT OF AGE

If Premiums are based on your age and you have misstated your age, then your correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

You may make an absolute assignment of ownership of your insurance under the Policy to any person or entity by sending us Written notice on a form that we accept. An absolute assignment transfers all your duties, rights, title and interest under the Policy to the new owner. The new owner can make any changes allowed under the Policy and Certificate.

An absolute assignment form is available from the Employer or us. Any assignment form must be Signed by both the current owner and the new owner. The Signed form must be received and accepted by us in order to be valid. An accepted assignment will take effect on the date the form is Signed by you, unless otherwise specified in the Signed form. An assignment does not affect any payment we make or action we take before receiving the Signed form. An assignment does not change the insurance or the Beneficiary designation.

If you want to continue an absolute assignment made under the Employer's prior group life insurance policy, a statement of intent form is available from the Employer or us. The form must be Signed by both you and the assignee. The Signed form must be received and accepted by us in order to be valid. A statement of intent does not affect any payment we make or action we take before receiving the Signed form. A statement of intent does not change the insurance or the Beneficiary designation.

We assume no responsibility for the validity of any assignment. You are responsible to see that the assignment is legal in your state and that it accomplishes the goals that you intend.

BENEFICIARY

The Beneficiary is named by you to receive any proceeds payable at your death. While your coverage is in force, you may change the Beneficiary designation by Written request on a form that is acceptable to us. A Beneficiary designation form is available from the Employer or us. An accepted designation will take effect as of the date it is Signed, unless you specify otherwise in the Signed designation, but will not affect any payment we make or action we take before receiving the Signed form. If you have made an absolute assignment of your insurance, only the current owner may change the Beneficiary designation.

If an irrevocable Beneficiary is named, the Beneficiary designation can only be changed with the consent of the irrevocable Beneficiary.

There can be one or more Beneficiaries. If two or more Beneficiaries are named and their shares are not specified in the Beneficiary designation, then the Beneficiaries will share any insurance proceeds equally. If a primary Beneficiary does not survive you, their share will be payable to the remaining primary Beneficiaries. One or more contingent Beneficiaries may be named to receive the proceeds in the event that all of the primary Beneficiaries named do not survive you.

Please refer to the LIFE INSURANCE BENEFITS section of the Certificate for information about payment.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This Certificate was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this Certificate which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

ENTIRE CONTRACT

Coverage for insured Associates is provided under a contract of group term insurance between us and the Policyholder. The entire contract consists of all of the following:

- The Policy issued to the Policyholder including Part A and Part B.
- The Certificates which are made part of Part B under the Policy.
- Any riders, endorsements and/or amendments issued.
- The Policyholder's Signed application, a copy of which is attached to the Policy when issued.

CHANGES TO POLICY OR CERTIFICATE

The terms and provisions of the Policy and this Certificate may be changed at any time without the consent of you or anyone else with a beneficial interest in the Policy. We will issue riders, endorsements or amendments to effect such changes, and only those forms Signed by one of our executive officers will be valid. We will only make changes consistent with the standards of the Interstate Insurance Product Regulation Commission or the applicable regulatory

body in the governing jurisdiction. We will provide a copy of the rider, endorsement or amendment to the Policyholder for attachment to the Policy, and also for the Associates if the change affects the Certificate(s).

Riders, endorsements and amendments are subject to prior approval by the Interstate Insurance Product Regulation Commission or the appropriate regulatory body in the governing jurisdiction. A rider, endorsement or amendment will not affect the insurance provided under the Certificate(s) until the effective date of the change, unless retroactivity is required by the applicable regulatory body.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to or waive the terms of the Policy.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that you died while your insurance under the Policy is in force. The death benefit is the amount of life insurance for your class as shown on the SCHEDULE OF BENEFITS in effect on the date of your death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review the claim and proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this Certificate.

AUTOPSY

We reserve the right to make a reasonable request for an autopsy at our expense where permitted by law.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your death.

If there is no eligible Beneficiary, we will pay the proceeds to the first survivor(s), who is living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children.
3. Your parents.
4. Your estate.

If the Beneficiary or survivor is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to that person's estate.

"Spouse" means your lawful spouse. It includes your domestic partner or civil union partner who is recognized as equivalent to a spouse in the state with governing jurisdiction of the Policy. It also includes your domestic partner as defined by the Employer if you have completed and Signed an affidavit of domestic partnership on a form acceptable to the Employer.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are

not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

LEGAL ACTION

The time period during which any person can start legal action regarding any claim under the Policy is subject to applicable law in the governing jurisdiction. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA)

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide Written notice of the adverse benefit determination to the claimant as soon as possible, but no more than 90 days after receipt of the claim unless an extension is needed. An extension of 90 days will be allowed for processing the claim if special circumstances are involved. The claimant will be given notice of any such extension before the end of the initial 90-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant's failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

A notice of an adverse benefit determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.
- A description of the claim review procedure and the time limits applicable to such procedures, including a statement of the claimant's right to bring a civil action following an adverse benefit determination on review.

The claimant may request a review of an adverse benefit determination (an “appeal”) at any time during the 60 day period following receipt of the notice of the determination. We will consider an appeal upon Written application of the claimant or his or her duly authorized representative. As part of the appeal the claimant also has the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to the claimant's claim for benefits. The claimant may, in the course of this appeal, review relevant documents and submit to us Written comments, documents, records and other information relevant to the claimant's claim for benefits.

Following our review of the appeal, we will provide the claimant with a Written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 60 days after the receipt of the appeal unless an extension is needed. An extension of 60 days will be allowed for making this decision if special circumstances are present. The claimant will be given notice of any such extension before the end of the 60-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to the claimant's failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be Written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits.
- A statement of the claimant's right to bring a civil action.

EXCLUSIONS AND LIMITATIONS

For Noncontributory life insurance, we pay a death benefit for all causes of death.

For Supplemental Contributory life insurance, if you commit suicide while sane or insane within two years of the date your insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period you were continuously covered under the Policy and any previous group term life policy(ies) issued to the Policyholder during your lifetime.

If you commit suicide while sane or insane within two years from the date an increase in Supplemental Contributory life insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Associate.

The term includes your domestic partner or civil union partner who is recognized as equivalent to a spouse in the state with governing jurisdiction of the Policy. It also includes your domestic partner as defined by the Employer if you have completed and Signed an affidavit of domestic partnership on a form acceptable to the Employer. Any reference to marriage includes establishment of a domestic partnership or civil union. Any reference to divorce includes termination of a domestic partnership or civil union.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Spouse is eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Associates to which you belong.
- Your life insurance coverage effective date.
- The date of your marriage.

If your Spouse is covered under the Policy as an Associate, then your Spouse is not eligible for coverage under this rider.

ENROLLMENT

If you have a Spouse eligible for coverage, you must enroll for Contributory Spouse coverage before Contributory coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Spouse was covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage on your Spouse that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

You may need to provide Evidence of Insurability on your Spouse, as described below.

EVIDENCE OF INSURABILITY

Evidence of Insurability is required for coverage under the conditions described below. Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. Any increase to coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of the increase. We must approve any required Evidence of Insurability before coverage becomes effective.

Supplemental Spouse Life Insurance	Evidence Required
Coverage on the Policy effective date continued from the Employer's prior Policy...	Any amount exceeding the lesser of the most recent coverage from the Employer's prior Policy or the plan maximum
Enrollment for supplemental spouse coverage on the Policy effective date, for employees who had supplemental spouse coverage under the Employer's prior Policy...	Any amount of total Supplemental Spouse Life Insurance exceeding \$50,000

All increased amounts

EFFECTIVE DATE OF COVERAGE

Your Spouse will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Spouse is eligible for coverage, if you enroll for Spouse coverage on or before that date.
- The date you enroll for Spouse coverage.
- The date we approve your Spouse's Evidence of Insurability, if Evidence of Insurability is required.
- The date you return to Active Employment, if you are not in Active Employment when your Spouse's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.
- The date your Spouse is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date your Spouse's coverage would otherwise become effective.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Spouse's coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve your Spouse's Evidence of Insurability, if Evidence of Insurability is required.
- The date your Spouse is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date the increased or additional coverage would otherwise start.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If your coverage is being provided under the CHANGE OF INSURANCE CARRIERS provision in the Certificate, then we will also provide continuity of Spouse coverage under the same conditions and for the same duration.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount of eligible Spouse coverage under our Policy. We will reduce our payment by any amount paid under the prior policy.

If Spouse coverage under this provision ends while the Policy is in force, and your Spouse is not otherwise eligible for insurance under the Policy, then your Spouse coverage will be eligible for conversion as described in the CONVERSION provision.

If your Spouse was not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Associates under the Policy.
- The date this rider is terminated for the eligible class of Associates to which you belong.
- The date you voluntarily cancel this rider in Writing, as allowed by the Employer unless prohibited by federal and state law.
- The date your Spouse is no longer an eligible Spouse as defined by this rider.

- The end of the period for which Premiums for this rider are paid if the next Premium is not paid by its due date, subject to the Policy grace period.

We will pay benefits for a loss that occurs while your Spouse is insured under this rider.

CONVERSION

You may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops for any reason other than nonpayment of Premium, your voluntary cancellation of this rider, your Spouse ceasing to be an eligible Spouse as defined, or your death. You may also convert any part of Spouse life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Spouse may convert Spouse life insurance, without Evidence of Insurability, to an individual life insurance policy if Spouse life insurance under this rider stops because your Spouse is no longer an eligible Spouse as defined, or because of your death.

Only life insurance is eligible for conversion. The maximum amount of life insurance eligible for conversion cannot be greater than the amount of Spouse life insurance you had prior to termination. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Spouse remains eligible under the Policy are not eligible for conversion.

To convert Spouse life insurance, application must be made and the first premium paid to us within 31 days of the date any part of Spouse life insurance under this rider terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Spouse life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Spouse life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Spouse life insurance coverage eligible for conversion will be reduced by any amount of Spouse life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Spouse's class of risk, and your Spouse's attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Spouse life insurance will continue under the terms of this rider. If your Spouse dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY

Any statement made by you or your Spouse is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you or your Spouse and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your Spouse's lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your Spouse's lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

MISSTATEMENT OF AGE

If Premiums are based on your Spouse's age and you have misstated your Spouse's age, then your Spouse's correct age will be used to determine if insurance is in effect and, as appropriate, the Premium and/or benefits will be adjusted. We may require satisfactory proof of your Spouse's age before paying any claim.

BENEFICIARY

You are the Beneficiary for proceeds that become payable at your Spouse's death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. You, or the current owner if ownership was assigned, are automatically the Beneficiary for these proceeds and this designation may not be changed. If the Beneficiary is not living on the date payment is made, benefits are payable to the Beneficiary's estate. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Spouse died while Spouse insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Spouse life insurance for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Spouse's death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Spouse's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Spouse's death. **Exception:** If your Spouse dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your Spouse's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS

If your Spouse commits suicide while sane or insane within two years of the date Spouse insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period your Spouse was continuously covered under this rider and any previous group term life policy issued to the Policyholder during your Spouse's lifetime.

If your Spouse commits suicide while sane or insane within two years from the date an increase in Supplemental Spouse life insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

SCHEDULE OF BENEFITS

SUPPLEMENTAL CHILDREN'S LIFE INSURANCE

Eligible Class(es)	Amount
Child from live birth but less than 26 years of age	Choice of \$5,000 to \$25,000 in \$5,000 increments

After the 20th week, the unintended end of a pregnancy is called a stillbirth if the infant is dead at birth. The amount for a stillborn Child is \$5,000.

MAXIMUM AMOUNT OF SUPPLEMENTAL CHILDREN'S LIFE INSURANCE

\$25,000

The Supplemental Children's life insurance amount will not exceed the Basic plus Supplemental Employee life insurance amount in force.

You may not elect a higher amount of Supplemental Children's life insurance than Supplemental Employee life insurance.

DEFINITIONS

Child or Children means a child from live birth but less than 26 years of age who is one of the following:

- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
- A child of your domestic partner or civil union partner who is recognized as equivalent to a spouse in the state with governing jurisdiction of the Policy.
- A child of your domestic partner as defined by the Employer if you have completed and Signed an affidavit of domestic partnership on a form acceptable to the Employer.
- Your grandchild if the child's parent is insured as your Child under this rider.

The child must also meet all of the following conditions:

- Be unmarried.
- Not be in a domestic partnership or civil union that is recognized as equivalent to marriage in the state with governing jurisdiction of the Policy.
- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Associate or Spouse.
- Not be insured by an individual policy that was issued under any conversion right of this rider.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches the limiting age. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing.

Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit. If the Child becomes capable of self-sustaining employment and proof of the Child's incapacity can no longer be furnished to us, you may convert your Child's life insurance to an individual life insurance policy as described in the CONVERSION provision of this rider.

Evidence of Insurability means your affirmation, on a form acceptable to us, of various factors that we will use to determine if your Child's coverage is approved. Those factors may include, but are not limited to, your Child's medical history and treatment, driving record, and/or family medical history. If we need more information, any costs will be at our expense.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Associates to which you belong.
- Your life insurance coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Associate, then your Child is not eligible for coverage under this rider.

ENROLLMENT

If you have a Child eligible for coverage, you must enroll for Contributory Children’s coverage before Contributory coverage will become effective. We or the Employer will provide you with the forms or information needed to complete your enrollment.

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and your Children were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory coverage on your Children that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

You may need to provide Evidence of Insurability on your Children, as described below.

EVIDENCE OF INSURABILITY

Evidence of Insurability is required for coverage under the conditions described below. Coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of coverage. Any increase to coverage is subject to the Evidence of Insurability requirements that are in force on the effective date of the increase. We must approve any required Evidence of Insurability before coverage becomes effective. When you have Children covered under this rider, then newly eligible Children will not require Evidence of Insurability.

Supplemental Child Life Insurance	Evidence Required
Coverage on the Policy effective date continued from the Employer's prior Policy...	Evidence is not required for any amount less than or equal to the plan maximum
Enrollment for supplemental children's coverage on the Policy effective date, for employees who had supplemental children's coverage under the Employer's prior Policy...	Evidence is not required for any amount less than or equal to the plan maximum
Enrollment for supplemental children's coverage on the Policy effective date, for employees who had no supplemental children's coverage under the Employer's prior Policy...	Evidence is not required for any amount less than or equal to the plan maximum
Initial eligibility under the Employer's plan for supplemental children's coverage on or after the Policy effective date...	Evidence is not required for any amount less than or equal to the plan maximum
Enrollment within 60 days after a change in family status as documented and approved by the Employer and valid during this enrollment...	Evidence is not required for any amount less than or equal to the plan maximum
Any new or increased supplemental child coverage not described above, including enrollments more than 31 days after initial eligibility...	Evidence is not required for any amount less than or equal to the plan maximum

EFFECTIVE DATE OF COVERAGE

- Your Children will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:
- The date your Children are eligible for coverage, if you enroll for Children’s coverage on or before that date.
 - The date you enroll for Children’s coverage.
 - The date we approve each Child’s Evidence of Insurability, if Evidence of Insurability is required.
 - The date you return to Active Employment, if you are not in Active Employment when your Children’s coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

- The date your Child is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child's coverage would otherwise become effective. **Exception:** This does not apply to a newborn.

Your eligible newborn Child is automatically covered for the first 31 days after birth. This includes an adopted newborn Child who is placed with you within 31 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then Contributory coverage for the newborn will be at the lowest level available. If you do not already have Children's coverage under this rider, then Child coverage beyond the 31st day is subject to the conditions regarding application and Active Employment.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 31 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 31 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.
- The date we approve each Child's Evidence of Insurability, if Evidence of Insurability is required.
- The date your Child is no longer hospitalized, or confined at home under a doctor's care, or receiving or applying to receive disability benefits from any source, if any of these conditions are true on the date that Child's increased or additional coverage would otherwise start.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If your coverage is being provided under the CHANGE OF INSURANCE CARRIERS provision in the Certificate, then we will also provide continuity of Children's coverage under the same conditions and for the same duration.

Any benefits payable under this provision will be the lesser of the amount of coverage under the prior policy had it remained in force, or the amount of eligible Children's coverage under our Policy. We will reduce our payment by any amount paid under the prior policy.

If Children's coverage under this provision ends while the Policy is in force, and your Children are not otherwise eligible for insurance under the Policy, then your Children's coverage will be eligible for conversion as described in the CONVERSION provision.

If your Children were not covered under the Employer's prior policy on the date that policy terminated, then the EFFECTIVE DATE OF COVERAGE provision will apply.

TERMINATION OF COVERAGE

Coverage for each Child ends on the earliest of the following:

- The date this rider terminates.
- The date the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Associates under the Policy.
- The date this rider is terminated for the eligible class of Associates to which you belong.
- The date you voluntarily cancel this rider in Writing, as allowed by the Employer unless prohibited by federal and state law.

- The date you no longer have an eligible Child as defined by this rider.
- The end of the period for which Premiums are paid if the next Premium is not paid by its due date, subject to the Policy's grace period.

If coverage for your Children ends and this rider terminates because you no longer have an eligible Child as defined by this rider, then you should notify the Policyholder to cancel this rider.

We will pay benefits for a loss that occurs while your Child is insured under this rider.

CONVERSION

You may convert Children's life insurance, without Evidence of Insurability, to an individual life insurance policy if a Child's life insurance under this rider stops for any reason other than nonpayment of Premium, your voluntary cancellation of this rider, your Child reaching the termination age under this rider, or your death. You may also convert any part of Children's life insurance that reduces due to your change from one eligible class to another or a Policy change. If you have made an absolute assignment of insurance, only the current owner may apply for conversion under this paragraph.

Your Child may convert Children's life insurance, without Evidence of Insurability, to an individual life insurance policy if that Child's life insurance under this rider stops because your Child reaches the termination age under this rider, or because of your death. If a Child is too young to contract for life insurance after your death, then a parent or a court-appointed guardian of the Child may apply for conversion of that Child's coverage.

Only life insurance is eligible for conversion. Conversion does not include any additional benefits such as accelerated death benefits, accidental death and dismemberment benefits, or waiver of premium benefits. Any amounts of coverage for which your Child remains eligible under the Policy are not eligible for conversion.

To convert Children's life insurance, application must be made and the first premium paid to us within 31 days of the date any part of a Child's life insurance under this rider terminates (the "conversion period"). You will be given Written notice, in person or at your last known address, of your conversion right at least 15 days before the date any part of Children's life insurance ends. Your right to convert will expire on the later of 16 days after you are given such notice or the end of the conversion period, but in no event will your right to convert extend beyond 60 days after the expiration of the conversion period. Any extension of time allowed for returning the completed application and first premium will not change the length of the conversion period itself.

Application for conversion may be for the entire amount of Children's life insurance that is terminating under this rider, or a lesser amount. The maximum amount of Children's life insurance coverage eligible for conversion will be reduced by any amount of Children's life insurance for which you become eligible under any group policy within 31 days after the beginning of the conversion period. Premiums for the conversion policy will be based on our rates then in use, the form and amount of insurance, your Child's class of risk, and your Child's attained age at the beginning of the conversion period. The conversion policy may be any individual life insurance policy then customarily offered by us for conversion, other than term insurance. The conversion policy will not include any additional benefits. When we accept the application and first premium, the conversion policy will become effective on the 32nd day after the date the life insurance under the Policy terminated.

During the conversion period, Children's life insurance will continue under the terms of this rider. If your Child dies within the conversion period, any life insurance amount that was eligible for conversion will be payable as a death benefit under the Policy and any premiums paid for conversion will be refunded to the Beneficiary.

INCONTESTABILITY

Any statement made by you or your Child is considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written statement of insurability which has been Signed by you or your Child and a copy of such statement of insurability has been given to you or to the Beneficiary. Except for fraud, we will not use such statement relating to insurability to contest life insurance after it has been in force for two years during your Child's lifetime. Except for fraud, we will not use such statement to contest an increase or benefit addition to such insurance, after the increase or benefit has been in force for two years during your Child's lifetime. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date when permitted by applicable law in the governing jurisdiction.

The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

BENEFICIARY

You are the Beneficiary for proceeds that become payable at your Child's death under this rider. If you have made an absolute assignment of your insurance, then during your lifetime the current owner is the Beneficiary. You, or the current owner if ownership was assigned, are automatically the Beneficiary for these proceeds and this designation may not be changed. Please refer to the LIFE INSURANCE BENEFITS section for more information about payment.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

LIFE INSURANCE BENEFITS

We pay a death benefit to the Beneficiary if we receive Written proof that your Child died while Children's insurance under this rider is in force. See the CONVERSION provision for information about death benefits payable during the conversion period following your death. The death benefit is the amount of Children's life insurance on that Child for the eligible class as shown on the SCHEDULE OF BENEFITS in effect on the date of your Child's death minus any amount paid under the Accelerated Death Benefit Rider.

NOTICE OF CLAIM AND PROOF OF LOSS

A claim form is available from the Employer or us. The process for completing the claim form and submitting the claim form will be explained in the claim form paperwork. Proof of loss, including any attachments indicated on the claim form as required, should be sent directly to us at the address indicated on the form. We may also require information from the Employer in order to verify eligibility.

Proof of loss consists of a certified copy of your Child's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds.

We will review proof of loss we receive in order to determine our liability and the correct payee(s). If we approve the claim, we will pay the benefits subject to the terms of this rider.

PAYMENT OF PROCEEDS

To be eligible to receive proceeds, the Beneficiary must be living on the date of your Child's death. **Exception:** If your Child dies during the conversion period following your death and you would otherwise have been the Beneficiary, we will pay the proceeds to your estate.

If the Beneficiary is eligible to receive proceeds but dies before receiving them, we will pay the proceeds to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

Any payment we make in good faith will discharge our liability to the extent of such payment.

PAYMENT OF INTEREST

We pay interest on the death benefit proceeds, accruing from the date of your Child's death up to the date of payment. The minimum interest rate payable will be the interest rate applicable for funds left on deposit with us as of the date of death.

Interest will accrue at an annual rate of 10% plus the interest rate applicable for funds left on deposit beginning with the date that is 31 calendar days from the latest of the dates below and continuing up to the date of payment:

- The date we receive due proof of loss following death.
- The date we receive sufficient information to determine our liability, the extent of our liability, and the appropriate payee legally entitled to the proceeds.
- The date that legal impediments to payment of proceeds that depend on the action of parties other than us are resolved and sufficient evidence of this resolution is provided to us. Legal impediments to payment include but are not limited to: the establishment of guardianships and conservatorships; the appointment and qualification of trustees, executors and administrators; and the submission of information required to satisfy state or federal reporting requirements.

EXCLUSIONS AND LIMITATIONS

If your Child commits suicide while sane or insane within two years of the date that Child's insurance starts, we will refund to the Beneficiary any Premiums paid instead of paying a death benefit. The two year period includes the period your Child was continuously covered under this rider and any previous group term life policy issued to the Policyholder during your Child's lifetime.

If your Child commits suicide while sane or insane within two years from the date an increase in Supplemental Children's life insurance (other than a scheduled or automatic increase) became effective, we will pay a death benefit for the amount of insurance that was effective before the increase. We will refund to the Beneficiary any Premiums paid for the increased amount of insurance.

- Your Children who are covered under your Children's Life Insurance Rider.

Doctor means a person who is licensed to practice medicine in the state in which treatment is received and providing treatment or advice in accordance with the license. GENERAL PROVISIONS

ELIGIBILITY FOR RIDER

If you are covered under the Policy, then you are eligible for this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Associates to which you belong.
- Your life insurance coverage effective date.

EFFECTIVE DATE OF RIDER

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for this rider.

TERMINATION OF RIDER

This rider terminates on the earliest of the following:

- The date your life insurance terminates.
- The date this rider is terminated for all Associates under the Policy.
- The date this rider is terminated for the eligible class of Associates to which you belong.

This rider will not terminate while this rider is being continued under the terms of another rider.

Termination of this rider will not prejudice the payment of benefits for a Qualifying Event that occurred while this rider was in force.

CONVERSION

When this rider terminates, conversion of this rider is not available.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS

This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

ACCELERATED DEATH BENEFIT

Accelerated death benefit proceeds is the amount we pay to you, while a Covered Person is living, if the Covered Person has a Qualifying Event. The accelerated death benefit proceeds are paid only once per Covered Person. This payout is the only settlement option available prior to a Covered Person's death.

The benefit is the amount of the accelerated death benefit shown on the SCHEDULE OF BENEFITS in effect on the date you request accelerated death benefit proceeds.

CONDITIONS FOR THE ACCELERATED DEATH BENEFIT

To receive a benefit payment under this rider, all of the following conditions must be met:

- Any required life insurance Premium is paid through the date you request proceeds under this rider.
- You request proceeds in writing while the Covered Person is living. If you are unable to request payment yourself, your legal representative may request it on your behalf.
- The Covered Person is insured for life insurance benefits under the Policy.
- The Covered Person is insured for the minimum amount of life insurance as shown on the SCHEDULE OF BENEFITS in order to be eligible for benefits under this rider.
- The benefit percentage elected will equal no less than \$5,000.
- You provide to us written proof from a Doctor that the Covered Person has a Qualifying Event.
- You provide to us written consent for payment from any irrevocable beneficiary and, in community property states, from your spouse.

NOTICE OF CLAIM AND PROOF OF LOSS

You must send us written notice of claim while the Covered Person is living and within 90 days of the date the Qualifying Event is diagnosed. Failure to give notice within 90 days will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of loss. Proof of loss includes information from the Covered Person's Doctor, at your expense, regarding the Covered Person's medical condition. We may require additional information from the Employer in order to verify eligibility. Proof of loss, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). A claim form is available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if the Covered Person is eligible under the terms of this rider. Any second medical opinion may include a physical examination by a Doctor designated by us. In the case of conflicting medical opinions, eligibility will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to the Covered Person and us.

When you request proceeds under this rider and upon payment of the benefit proceeds, you will be provided with a disclosure demonstrating the effect of the acceleration on the death benefit and Premium, and any other effects on coverage. This disclosure will also be provided to any assignee of record or irrevocable beneficiary of record.

BENEFIT PAYMENT

We pay the benefit proceeds to you immediately upon receipt of due written proof of loss. If you are not the current owner of coverage under the Certificate or riders on the date proceeds are requested under this rider, then while you are living the benefit proceeds are payable to the current owner.

For coverage continued by your Spouse after your death or divorce, any benefit proceeds under this rider are payable to your Spouse. If your Spouse is not the current owner of coverage under the Spouse Life Insurance Rider and Children's Life Insurance Rider on the date accelerated death benefit proceeds are requested, then the benefit proceeds are payable to the current owner.

Benefit proceeds received for Terminal Illness will be paid as a lump sum.

For a Qualifying Event other than Terminal Illness, you may elect to receive the benefit proceeds as a lump sum or in monthly installments. You may elect monthly installments equal to 1-20% of the full amount of the benefit payable under this rider. The minimum monthly installment is \$500. Monthly installments are paid once every 30 days until the full accelerated benefit amount has been paid out. Each monthly installment paid will reduce the remaining death benefit by the same amount.

Any payment we make in good faith will discharge our liability to the extent of such payment.

If you or the Covered Person dies after you request proceeds under this rider but before any proceeds are received, then the accelerated death benefit claim will be cancelled and any death benefit will be payable under the terms of the Certificate and riders. If any monthly installments are remaining at the time of death, the remaining amount will be payable as a death benefit under the terms of the Certificate and riders.

EFFECTS ON COVERAGE

When we pay this benefit, coverage is affected in the following ways:

- The Covered Person's Life Insurance amount is reduced by the accelerated death benefit proceeds paid under this rider.
- The Covered Person's life insurance amount that may be converted is reduced by the accelerated death benefit proceeds paid under this rider.
- You will not be eligible to increase the Covered Person's Contributory life insurance amount.
- Premium is reduced based upon the remaining life insurance amount. Such Premium must be paid to keep the life insurance coverage in force.
- You will not be able to reinstate the Covered Person's coverage to its full amount in the event of a recovery from a Qualifying Event.

Payment of accelerated death benefits for a Covered Person will not affect the amount of life insurance on other Covered Persons. If any death benefit remains after payment of the accelerated death benefit, coverage under the AD&D Rider will be unaffected by the payment of an accelerated death benefit.

DENIALS AND APPEALS FOR PLANS SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 (ERISA) – FOR TOTAL DISABILITY CLAIMS ONLY

If we deny a claim in whole or in part (an “adverse benefit determination”), we will provide written notice of the adverse benefit determination to you as soon as possible, but no more than 45 days after receipt of the claim unless an extension is needed. An extension of 30 days will be allowed for processing the claim for matters beyond our control. You will be given notice of any such extension before the end of the initial 45-day period. If, before the end of the 30-day extension period, we are still unable to render a decision on the claim for matters beyond our control, a second extension of 30 days will be allowed for processing the claim. You will be given notice of any such second extension before the end of the first 30-day extension period. The notice(s) will state the circumstances requiring the extension and the date a decision is expected. The notice(s) will also specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim and the additional information needed to resolve those issues. If additional information is needed, you will have 45 days to provide the specified information. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will

be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information.

A notice of an adverse benefit determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A description of additional information, if any, which would enable you to receive the benefits sought and an explanation of why it is needed.
- A description and a copy of relevant claim review procedures and the time limits applicable to such procedures, including a statement of your right to bring a civil action following an adverse benefit determination on review.
- A statement that if an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, a copy of such rule, guideline, protocol or other criterion will be provided free of charge to you upon request.

You may request a review of an adverse benefit determination (an “appeal”) at any time during the 180 day period following receipt of the notice of the determination. We will consider an appeal upon written application of you or your duly authorized representative. As part of the appeal you also have the right, upon request and free of charge, to reasonable access to and copies of all documents, records and other information relevant to your claim. This includes the identification of any medical or vocational experts whose advice was obtained on our behalf in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination. You may, in the course of this appeal, review relevant documents and submit to us written comments, documents, records and other information relevant to your claim.

Our review of the appeal will be conducted by someone who is neither the individual who made the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual. If the determination was based in whole or in part on a medical judgment, our review of the appeal will include consultation with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will be someone who is neither an individual who was consulted in connection with the original adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual.

Prior to rendering an adverse decision on appeal, we will provide notice to you of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. We will also notify you if we have new or additional rationale for an adverse appeal determination. We will then provide you with a reasonable opportunity to review and respond to this new information before making our decision. The time period we have to make our determination will be tolled while we are waiting for your response.

Following our review of the appeal, we will provide you with a written decision of the final determination of the claim. This decision will be issued as soon as possible, but no more than 45 days after the receipt of the appeal unless an extension is needed. An extension of 45 days will be allowed for making this decision if special circumstances are present. You will be given notice of any such extension before the end of the 45-day period. The notice will state the special circumstances involved and the date a decision is expected. If an extension is needed due to your failure to submit information necessary to decide a claim, the extension period will be tolled from the date on which notification of the extension is sent to you until the date on which you respond to the request for additional information. If we send an adverse benefit determination following our review of the appeal, the notice of the determination will be written in an understandable manner and include the following:

- The specific reason(s) for the adverse benefit determination.
- Reference to the specific provision on which the determination is based.
- A statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim.
- A statement of your right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
- If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
- The following statement: “You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency.”

No enrollment is required if the Policy replaces a group policy issued by us or by another insurance company, and you were covered under the prior policy on the day before that policy was replaced by our Policy. The amount of Contributory AD&D coverage that becomes effective on our Policy effective date will be at the same level as under the prior policy, subject to the terms of our Policy including any maximum coverage amounts under our Policy.

EFFECTIVE DATE

Each Covered Person will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date the Covered Person is eligible for coverage, if you enroll for coverage on or before that date.
- The date you enroll for coverage.
- The date you return to Active Employment, if you are not in Active Employment when the Covered Person's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

Once AD&D coverage begins, any increased or additional Contributory coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment on the date the increased or additional coverage would otherwise start.

Termination will not prejudice the payment of benefits for a covered loss caused by an Accidental Injury that occurs while the Covered Person is insured under this rider.

CONVERSION

When coverage under this rider terminates, conversion of AD&D coverage to an individual policy is not available.

INCONTESTABILITY

Any statement made by you or your Spouse or Child is considered a representation and not a warranty. This rider was approved under the authority of the Interstate Insurance Product Regulation Commission and issued under the Commission standards. Any provision of this rider which, on the provision's effective date, conflicts with Interstate Insurance Product Regulation Commission standards for this product type, is automatically amended to conform to the Interstate Insurance Product Regulation Commission standards for this product type as of the provision's effective date.

AD&D BENEFITS

We pay an AD&D benefit if we receive Written proof that a Covered Person suffered a covered loss (as described below) as the result of an Accidental Injury. The Covered Person must be insured under this rider on the date of the Accidental Injury, and the cause of the loss must not be excluded. The AD&D benefit is the amount for the eligible class and for the loss as shown on the SCHEDULE OF BENEFITS in effect on the date of the Accidental Injury.

If any benefit described below indicates that it is payable to you if living, and you are not the current owner of coverage under the Certificate or riders on the date of the loss, then those benefit proceeds are payable to the current owner.

Accidental Death

A benefit is payable to the Beneficiary if an Accidental Injury causes a Covered Person's death within 365 days of the Accidental Injury. See the Certificate and riders for more information about the Beneficiary.

We will presume that the Covered Person died as a result of Accidental Injury if all of the following are true:

- The conveyance in which the Covered Person was traveling (including but not limited to an automobile, airplane, ship or train) disappears, sinks or is wrecked.
- The body of the Covered Person is not found.
- A reasonable period of time, but not more than 365 days has elapsed from the later of the date the conveyance was scheduled to arrive at its destination or the date the Covered Person was reported missing to the authorities.

If we pay an Accidental Death benefit due to the Covered Person's disappearance and it is later found that the Covered Person is alive, the benefits paid must be refunded to us.

Accidental Dismemberment

A benefit is payable if an Accidental Injury causes a Covered Person's loss of a covered finger, toe, limb or appendage within 365 days of the Accidental Injury. The types of and benefit amounts for covered Accidental Dismemberment losses are shown on the SCHEDULE OF BENEFITS. Accidental Dismemberment benefits are payable to you if living, otherwise to the Beneficiary.

If Accidental Injury causes more than one loss to the same covered digit, limb or appendage, only the largest benefit for the loss will be payable.

Other Accidental Loss

A benefit is payable if an Accidental Injury causes a Covered Person's loss as described below. The benefit amounts for these covered losses are shown on the SCHEDULE OF BENEFITS. These benefits are payable to you if living, otherwise to the Beneficiary.

A passenger does not include a person who is performing duties for the Common Carrier as part of their employment.

Safety Belt use: The Accidental Injury causing death occurs while the Covered Person is riding in an Automobile equipped with Safety Belts, and the Covered Person was wearing a properly fastened Safety Belt at the time of the Accidental Injury.

If the accident report or other accident records can't verify the Safety Belt use, and payment of this benefit would not otherwise be excluded, then a flat benefit amount of \$1,000 is payable.

This benefit is not payable if the death was caused or contributed to by any use of intoxicating liquors, marijuana, narcotic drugs, depressants or similar substances, whether or not prescribed by a Doctor, by the Covered Person or by the driver of the Automobile in which the Covered Person was riding.

To be considered full-time, your child's full-time school attendance must be 6 months or more in each annual period following enrollment. Benefits are payable at the end of each annual period following enrollment. You or the Beneficiary must provide proof annually that your child remains eligible. Benefits are payable upon proof of enrollment and that an actual cost for the training was incurred.

A spouse for this benefit has the same meaning as a Spouse under the Spouse Life Insurance Rider.

The prescribed modifications must be made within 365 days of the loss and while the Covered Person is living. Only one modification benefit is payable per Covered Person under this rider.

Survivor Benefit: This benefit is payable if you die due to a Covered Accident and are survived by your Spouse who is covered under your Spouse Life Insurance Rider or your Children who are covered under your Children's Life Insurance Rider. The benefit amount is paid monthly for a period of 12 months, to your Spouse if living, otherwise to your living dependent Children, in equal shares. A report of criminal activity must be filed by you or on your behalf with the appropriate law enforcement authority within 48 hours of the assault. NOTICE OF CLAIM AND PROOF OF LOSS

You or the Beneficiary must send us Written notice of claim within 90 days after the date of loss. Failure to give notice within 90 days will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of loss. Proof of loss for a death claim consists of a certified copy of the Covered Person's death certificate or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds. Proof of loss for any other claim consists of information from the Covered Person's Doctor, at your expense, regarding the Covered Person's loss that is covered under this rider. Proof of loss, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). A claim form is available from the Employer or us.

We will review proof of loss we receive in order to determine our liability and the correct payee(s).

PAYMENT OF PROCEEDS

For benefits other than the Survivor Benefit: If the Beneficiary is not living on the date payment is made, benefits are payable to the Beneficiary's estate.

We will pay the death benefit to the Beneficiary in one sum or in a method comparable to one sum. Other methods of payment may be made available to the Beneficiary at the time of claim.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
 - **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
 - A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
 - If the person is provided coverage by the guaranty association of another state.
 - Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
 - Employer and association plans, to the extent they are self-funded or uninsured
 - A policy or contract providing any health care benefits under Medicare Part C or Part D
 - An annuity issued by an organization that is only licensed to issue charitable gift annuities
 - Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
 - Any policy of reinsurance unless an assumption certificate was issued
 - Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).
-

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. **NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner of multiple non-group policies of life insurance.

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

"Health benefit plan" is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. **NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE SOUTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ADDITIONAL INFORMATION

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

 - d. An explanation of the claim review procedure, including the time limits applicable to such procedures and notice of the claimant's right to bring a civil action pursuant to Section 502(a) of ERISA following an adverse decision on appeal.
- 5) The claimant may request an appeal at any time during the 180-day period following receipt of the notice of denial of the claim.
- 6) ReliaStar Life will consider requests for an appeal of a denied claim upon written application of the claimant or his or her duly authorized representative. As part of the appeal, the claimant has the right, upon request and free of charge, to access or obtain copies of all documents, records and other information that is relevant to the claim for benefits. The claimant may, in the course of this appeal, submit to ReliaStar Life written comments, documents, records, and other information relating to the claim. ReliaStar Life will provide a full and fair review that takes into account all comments, documents, records and other information submitted by the claimant without regard to whether such information was submitted or considered in the initial benefit determination. Review of claim denials and final decisions on appeal are the responsibility of ReliaStar Life.
- 7) Prior to rendering an adverse decision on appeal, ReliaStar Life will provide notice to the claimant of any new or additional evidence considered, relied upon, or generated by the plan, insurers or other persons making the benefit determination. ReliaStar Life Insurance Company of New York will also notify the claimant if it has new or additional rationale for an adverse appeal determination. ReliaStar Life Insurance Company of New York will then provide the claimant with a reasonable opportunity to review and respond to this new information before making its decision. The time period ReliaStar Life Insurance Company of New York has to make its determination will be tolled while it is waiting for the claimant's response.
- 8) ReliaStar Life will provide the claimant with a written decision of the final determination of the claim. If ReliaStar Life Insurance Company of New York sends an adverse benefit determination following its review of the appeal, the notice of the determination will be written in an understandable manner and include the following:
 - a. The specific reason(s) for the adverse benefit determination.
 - b. Reference to the specific provision on which the determination is based.
 - c. A statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim.
 - d. A statement of the claimant's right to bring a civil action and any contractual statute of limitations period, including the specific calendar date on which such limitations period will expire.
 - e. If an internal rule, guideline, protocol or other similar criterion was relied upon in making the adverse benefit determination, then a copy of any such rule, guideline, protocol or other criterion will be provided free of charge.
 - f. The following statement: "You and your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of

Labor Office and your State insurance regulatory agency.”

This decision will be issued as soon as practicable from the date of appeal, but not longer than 45 days unless an extension is needed. An extension of 45 days will be allowed for making the decision for matters beyond the Plan's control or if additional information is needed from the claimant. The claimant will be given notice if this extension is necessary, stating the reason for the extension, the date a decision is expected, and the additional information needed from the claimant, if any. If the decision on review is not received within these time limits, the claim may be considered denied. If the claimant receives an adverse benefit determination, the claimant will then have the right to bring a civil action pursuant to Section 502(a) of ERISA.

- 9) ReliaStar Life has final discretionary authority to determine all questions of eligibility and status, to interpret and construe the terms of this policy(ies) of insurance, and to make claim determinations.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
