Benefits are paid for Critical Illnesses as defined in the Certificate. The Policy does not constitute comprehensive health insurance coverage (often referred to as "major medical insurance coverage"). In addition, the Policy does not satisfy the requirement of minimum essential coverage under the Affordable Care Act. Benefits are paid under the Policy for Critical Illnesses as indemnity insurance and are not intended to cover medical expenses.

ReliaStar Life Insurance Company certifies that we have issued the group Policy listed above to the Policyholder. The Policy is available for you to review if you contact the Policyholder for more information. **This is your Certificate as long as you are eligible for coverage and you become insured. Please read it carefully and keep it in a safe place.** This Certificate replaces any other Certificates we may have given you for the same level of coverage under the Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group Policy but by itself is not a policy. Your coverage may be changed under the terms and conditions of the Policy. The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments. The Policy is conditionally renewable on each Policy anniversary, subject to the POLICY TERMINATION provision.

For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. standard time at the Policyholder's address and end at 12:00 midnight standard time at the Policyholder's address.

In this Certificate, "you" and "your" refer to an Employee who is eligible for coverage under the Policy; "we", "us" and "our" refer to ReliaStar Life Insurance Company.

Please read the Certificate carefully.

- The date you are eligible for coverage, if you apply for coverage on or before that date.
- The first day of the month following the date you apply for coverage.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception**: Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved non-medical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month following the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

CHANGE OF INSURANCE CARRIERS

If you are not in Active Employment due to Injury or Sickness on the effective date of the Employer's coverage under our Policy, and you were covered under the Employer's prior group policy of critical illness or specified disease insurance at the time the Employer's coverage under our Policy became effective, we will provide continuity of coverage under our Policy. In order for this provision to apply, the prior policy's coverage must be similar to our Policy.

If you are not in Active Employment due to Injury or Sickness on the effective date of our Policy, and you would otherwise be eligible to become insured under our Policy, we will provide limited coverage under our Policy. Coverage under this provision will begin on our Policy effective date and will continue until the earliest of the following:

- The date you return to Active Employment.
- The end of any period of continuance or extension provided under the prior policy.
- The date coverage would otherwise end, according to the provisions of our Policy.

Your coverage under this provision is subject to payment of premiums.

Any benefits payable under this provision will be paid as if the prior policy had remained in force. We will reduce our payment by any amount for which the prior carrier is liable.

If your coverage ends under this provision, or if you were not covered under the Employer's prior policy on the date that policy terminated, the EFFECTIVE DATE OF COVERAGE provision under our Policy will apply.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates.
- The last day of the month during which you are no longer in an eligible class.
- The last day of the month during which your eligible class is no longer covered.
- The last day of the month during which you voluntarily cancel your coverage.
- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The end of the Policyholder's grace period, if the Policyholder does not remit premium to us by the end of such period.
- The last day of the month during which you are no longer in Active Employment.
- The date the total maximum benefit amount has been paid for all Critical Illnesses.

We will provide coverage for a payable claim that occurs while you are covered under the Policy.

POLICY TERMINATION

The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy for any of the following reasons:

- There is less than 15% participation of those eligible persons who pay all or part of their premium for the Policy.
- The Policyholder does not promptly provide us with information that is reasonably required.
- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing the type of coverage under this Policy to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY

Portability means you have the option to continue your coverage after it would otherwise terminate if certain conditions are met. You must elect portability before you reach age 70.

To continue your coverage, you must apply for portability and pay the first premium within 31 days of the date your coverage would otherwise terminate due to any of the following:

- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Insured Persons.
- The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with a similar insurance plan.
- You are no longer eligible for coverage under the Policy.

You can decrease, but not increase, the ported coverage amount. Ported coverage is subject to all the terms of the Policy and this Certificate.

Premiums will be billed directly to you. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time you apply for portability. We may change the portability premium rates at any time upon 60 days written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which you paid premiums, if you stop making a required premium contribution, subject to the grace period.
- The date you die.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the grace period the Policy will remain in force. If full payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. There is no grace period if the Policyholder gives us advance written notice of termination, or if we have given the Policyholder advance written notice of termination as described under the POLICY TERMINATION provision.

If you are on portability, you also have a grace period of 31 days for the payment of any premium due. During the grace period your coverage will remain in force. If full payment is not received by us by the end of the grace period, your coverage will automatically terminate at the end of the grace period.

TIME LIMIT ON CERTAIN DEFENSES

After three years from the Policy's effective date, no misstatements, except fraudulent misstatements, made by the Policyholder in the application for such Policy shall be used to void the Policy. After three years from your coverage effective date under the Policy, no misstatements, except fraudulent misstatements, made by you in an application for coverage shall be used to deny a claim for loss incurred or disability (as defined in the Policy) commencing after the expiration of such three year period.

No claim for loss incurred or disability (as defined in the Policy) commencing after 3 months from your coverage effective date shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to your coverage effective date.

CLERICAL ERROR

Clerical error or omission by us or by the Policyholder will not:

- Prevent you from receiving coverage, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE OR TOBACCO USE STATUS

If premiums are based on your age or tobacco use status and you have misstated your age or tobacco use status, we will make a fair adjustment of benefits to reflect the amount that the premium paid would have purchased at your true age or based upon your tobacco use status. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT

No assignment of benefits under the Policy is valid unless otherwise specified in the Policy.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the jurisdiction where the Policy is issued, is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

No agent, representative or employee of ours or of any other entity may change or waive the terms of the Policy, or of any Certificate or rider issued under it, except in writing signed by one of our executive officers and endorsed or attached to the Policy.

If there is a conflict between the terms of this Certificate or any attached rider and the Policy, the Policy controls.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness after your coverage effective date. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

CLAIMS

NOTICE OF CLAIM

Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

If you do not receive the form from us within 15 days of your request, you may send us written proof of loss without waiting for the form. If such written proof of loss covers the occurrence, character and extent of the loss within the time period below for proof of loss, you will be deemed to have complied with the requirements for providing proof of loss.

PROOF OF LOSS

You must send us written proof of loss within 90 days after the date of loss (date of diagnosis). Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of loss no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits are payable to you unless otherwise specified. Once a claim has been approved, we will make payment immediately upon receipt of due written proof of loss. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
2. Your natural and adopted children, in equal shares.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person's estate.

If a survivor entitled to receive a payment has a special needs trust established, we will make payment to that person's trust instead of to the person directly.

"Spouse" in this provision means your lawful spouse. It also includes your domestic partner as defined by the Employer if you have completed and signed an affidavit of domestic partnership on a form acceptable to the Employer.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

You can start legal action regarding a claim no earlier than 60 days after written proof of loss has been given to us, and no later than three years from the time proof of loss is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

SPOUSE CRITICAL ILLNESS BENEFITS

The benefit percentages for your Spouse are the same as the benefit percentages for you as shown in the SCHEDULE OF BENEFITS section of the Certificate.

DEFINITIONS

General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Spouse.

Spouse means your lawful spouse. It also includes your domestic partner as defined by the Employer if you have completed and signed an affidavit of domestic partnership on a form acceptable to the Employer. Any reference to marriage includes establishment of a domestic partnership. Any reference to divorce includes termination of a domestic partnership.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Spouse is eligible under this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.
- Your Critical Illness coverage effective date.
- The date of your marriage.

If your Spouse is covered under the Policy as an Employee, then your Spouse is not eligible for coverage under this rider.

EFFECTIVE DATE

Your Spouse will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Spouse is eligible for coverage, if you apply for Spouse coverage on or before that date.
- The first day of the month following the date you apply for Spouse coverage.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment when your Spouse's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Spouse's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month following the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

This rider terminates on the earliest of the following:

- The date your Certificate terminates.
- The date this rider is terminated for all Insured Persons under the Policy.
- The last day of the month during which you voluntarily cancel this rider.
- The last day of the month during which your Spouse is no longer an eligible Spouse as defined by this rider. See the PORTABILITY FOLLOWING DEATH OR DIVORCE provision below.
- The end of the period for which premiums are paid, if the next required premium contribution is not paid, subject to the grace period.
- The date your Spouse's total maximum benefit amount has been paid for all Critical Illnesses.

PORTABILITY

If you are approved by us to continue your coverage under the Certificate's PORTABILITY provision, then this rider can also be continued during portability.

PORTABILITY FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse can apply to continue Spouse coverage if certain conditions are met. Your Spouse must have been insured under this rider on the date of your death or divorce, your Spouse must be under age 70 and your Spouse must apply for portability and pay the first premium within 31 days of the date of your death or divorce.

If your Spouse is approved by us for portability, your Spouse will become the owner of the Spouse coverage that was previously provided under this rider. Your Spouse can decrease, but not increase, the ported coverage amount. Ported coverage is subject to all the terms of the Policy and Certificate.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on this rider's SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness after your Spouse's coverage effective date. The percentage of BENEFIT AMOUNT payable is listed for the Critical Illness on this rider's SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and this rider terminates.

Payment of any benefits for your Spouse's Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Spouse's Critical Illness coverage as long as your coverage remains in force.

If the parent who is covering the Children stops being insured as an Employee then the other parent may apply for Children's coverage under this rider within 60 days.

EFFECTIVE DATE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Children are eligible for coverage, if you apply for Children's coverage on or before that date.
- The first day of the month following the date you apply for Children's coverage.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for nonmedical-related absences.

Your eligible newborn Child is automatically covered for the first 30 days after birth. This includes an adopted newborn Child who is placed with you within 30 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then coverage for the newborn will be at the lowest level available. If you do not already have Children's coverage under this rider, then Child coverage beyond the 30th day is subject to the conditions regarding application and Active Employment.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month following the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month following the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

TERMINATION

Coverage for each Child ends on the earliest of the following:

- The date this rider terminates.
- The last day of the month during which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- The date your Child's total maximum benefit amount has been paid for all Critical Illnesses.

This rider terminates on the earliest of the following:

- The date your Certificate terminates.
- The date this rider is terminated for all Insured Persons under the Policy.
- The last day of the month during which you voluntarily cancel this rider.
- The date you no longer have any eligible Children covered under this rider. See the PORTABILITY FOLLOWING DEATH provision below.
- The end of the period for which premiums are paid, if the next required premium contribution is not paid, subject to the grace period.

PORTABILITY

If you are approved by us to continue your coverage under the Certificate's PORTABILITY provision, then this rider can also be continued during portability.

PORTABILITY FOLLOWING DEATH

If you die and your Spouse is approved by us for portability under the Spouse Critical Illness Rider, then this rider can be continued under your Spouse's coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse applies for portability. We may change the portability premium rates at any time upon 60 days written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which your Spouse paid premiums, if your Spouse stops making a required premium contribution, subject to the grace period.
- The date your Spouse dies.
- The date there are no longer any eligible Children covered under this rider.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

CRITICAL ILLNESS BENEFITS

The benefits for your Children are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate. Benefits for the Additional Child Diseases module are shown below.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis from any previously diagnosed Critical Illness or Additional Child Disease. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider's SCHEDULE OF BENEFITS for each Critical Illness and Additional Child Disease. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness and Additional Child Disease in this rider during your Child's lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness or Additional Child Disease.

When the total maximum benefit amount for a Child has been paid for a Critical Illness or Additional Child Disease, no further benefits are payable for that Child for that Critical Illness or Additional Child Disease. When the total maximum benefit amount for a Child has been paid for all Critical Illnesses and Additional Child Diseases, no further benefits are payable for that Child. When the total maximum benefit has been paid for all Children for all Critical Illnesses and Additional Child Diseases, no further benefits are payable and this rider terminates.

Payment of any benefits for your Child's Critical Illness or Additional Child Disease will not impact the available BENEFIT AMOUNT for your Critical Illness. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Child's Critical Illness or Additional Child Disease as long as your coverage remains in force.

A diagnosis of any Critical Illness or Additional Child Disease must be made after your Child's live birth and by a Doctor familiar with the diagnosis of the specific condition.

ADDITIONAL CHILD DISEASES MODULE

Benefits for Cerebral Palsy, Congenital Birth Defects, Cystic Fibrosis, Down Syndrome, Gaucher Disease, Type II or III, Infantile Tay Sachs, Niemann-Pick Disease, Pompe Disease and Type IV Glycogen Storage Disease are payable when we receive due proof of such condition which is diagnosed after your Child's coverage effective date (including the effective date of any changes to coverage).

CLAIMS

NOTICE OF CLAIM
Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized agent or administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM
The claim form is available from the Employer or you can request a claim form from us. The claim form(s) may require completion by you and the Employer and your Child's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

If you do not receive the form from us within 15 days of your request, you may send us written proof of loss without waiting for the form. If such written proof of loss covers the occurrence, character and extent of the loss within the time period below for proof of loss, you will be deemed to have complied with the requirements for providing proof of loss.

PROOF OF LOSS
You must send us written proof of loss within 90 days after the date of loss (date of diagnosis). Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of loss no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION
We may require your Child to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS
Benefits under this rider are payable to you. Once a claim has been approved, we will make payment immediately upon receipt of due written proof of loss. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death are payable to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION
You can start legal action regarding a claim no earlier than 60 days after written proof of loss has been given to us, and no later than three years from the time proof of loss is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- Life Insurance
  80% of death benefits but not to exceed $300,000
  80% of cash surrender or withdrawal values but not to exceed $100,000

- Annuities and Structured Settlement Annuities
  80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is $546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association's website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

VII. CLAIMS

If the BENEFIT PAYMENTS provision in your Certificate and any riders indicates that there is a time limit on when we will make payment, then that statement is replaced by the following:

Once a claim has been approved, we will make payment immediately upon receipt of due written proof of claim.

VIII. CHILDREN'S CRITICAL ILLNESS RIDER

If your Certificate includes a Children's Critical Illness Rider, then in addition to any changes noted above, this rider is changed as follows:

If the rider includes a benefit for Congenital Birth Defects, then all references to "Congenital Birth Defects" are changed to: "Congenital Anomaly."

In the **DEFINITIONS** section:

If the definition of **Child** or **Children** includes a maximum Child age of less than 25 years, then this maximum is changed to 25 years.

The reference to an adopted child in the definition of **Child** or **Children** is changed to add the following:

"Placed" means physical placement in your care, except when physical placement is prevented due to the medical needs of the child, in which case 'placed' means the date you sign an agreement for adoption of the child and assume financial responsibility for the child.

If the definition of **Child** or **Children** includes a requirement that the child be eligible to be claimed by you or your Spouse for federal income tax purposes, then that requirement does not apply to your natural or adopted child.

If the definition of **Child** or **Children** includes any requirements for full-time students over a certain age, then these requirements do not apply.

If the rider contains a definition of **Congenital Birth Defects**, that definition is replaced by the following (if the rider contains no such definition, the following definition is added):

Congenital Anomaly means a condition existing at or from birth that is a significant deviation from the common form or function of the body, whether caused by a hereditary or developmental defect or disease. The term significant deviation is defined to be a deviation which impairs the function of the body, and includes but is not limited to the conditions of cleft lip, cleft palate, webbed fingers or toes, sixth toes or fingers, or defects of metabolism and other conditions that are medically diagnosed to be congenital anomalies.

Examples includes, but are not limited to, the following:

- Heart defects.
- Lung defects.
- Spina Bifida.
- Cleft lip or palate.
- Limb malformations.

Congenital Anomaly includes being born blind without the recommendation of surgery. Congenital Anomaly does not include prematurity.

In the **GENERAL PROVISIONS** section:

If the ELIGIBILITY provision includes a time period following one parent's termination of Employee coverage during which the other parent may enroll for Child coverage, then this time period does not apply.

The following replaces any language in the EFFECTIVE DATE provision specific to a newborn Child (if there is no language specific to a newborn Child, then this is added):

If you have coverage on yourself, your eligible newborn Child is automatically covered for the first 60 days after birth. This includes an adopted newborn Child who is placed with you within 60 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children's coverage under this rider, then Child coverage beyond the 60th day is subject to the conditions regarding application and Active Employment.

If you pay any part of the cost of coverage under this rider, the Employer will notify you of the premium required for this rider and the date that either payroll deductions will begin or your first premium payment is due, which will not be less than 31 days following your receipt of the notification.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 60 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 60 days after birth, the "event" will be the date of placement. No additional premium is required.

In the **CRITICAL ILLNESS BENEFITS** section:

If the rider includes benefits for Additional Child Diseases, then this statement is added:

If any Additional Child Disease is also considered a Congenital Anomaly, only one benefit is payable.

In the **EXCLUSIONS** (or **EXCLUSIONS AND LIMITATIONS**) section, if any:

If the rider contains a PRE-EXISTING CONDITION EXCLUSION (or LIMITATION) provision, then the following statement is added to that provision:

A Congenital Anomaly is not considered a Pre-Existing Condition.

IX. ABSENCE FROM EMPLOYMENT PREMIUM WAIVER RIDER

If your Certificate includes an Absence from Employment Premium Waiver Rider, then this rider is changed as follows:

In the **DEFINITIONS** section:

If the rider includes a definition of **Waiting Period** and the time period in that definition is more than 30 days (or more than 1 month if shown in months), then this time period is limited to 30 days (or 1 month).

SPECIFIED DISEASE COVERAGE

THE CERTIFICATE PROVIDES LIMITED BENEFITS
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER MEDICAL EXPENSES

OUTLINE OF COVERAGE FOR IDAHO RESIDENTS

THIS CERTIFICATE IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the "Guide to Health Insurance for People With Medicare" available from the company.

This coverage is designed only as a supplement to a comprehensive health insurance policy and should not be purchased unless you have this underlying coverage. Persons covered under Medicaid should not purchase it.

Read Your Certificate Carefully. This outline of coverage provides a very brief description of the important features of coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and your insurance company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!

Specified disease coverage is designed to provide, to persons insured, restricted coverage paying benefits ONLY when certain losses occur as a result of specified diseases. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

The policy provides a lump-sum benefit if a covered person is diagnosed with any of the covered illnesses/conditions listed on the Schedule of Benefits. Commonly covered conditions include: **heart attack, cancer, stroke, major organ failure, coronary artery disease, and carcinoma in situ (CIS)**. Please consult your certificate and riders for specific information about the conditions covered, how terms are used, any requirements that describe qualifying for a particular loss, and the benefit amounts. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the Policy.

In order for a benefit to be payable, the specified disease must be diagnosed after the covered person's coverage effective date. **A pre-existing condition exclusion or limitation may apply to a specified disease diagnosed during the first year that coverage (or an increase in coverage) is in force. Coverage may reduce based on age.** Benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination. The Policyholder may choose to have an eligibility waiting period, during which time no coverage is in force.

The exclusions that apply to all provisions for specified disease coverage are provided in the "Exclusions" section of the certificate and any riders. The "Schedule of Benefits," the Benefits section(s) and the "Exclusions" section of the certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the policy.

The eligibility requirements for a spouse and children may include age limitations, as provided in the riders. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of any age limitations under the policy.

Your coverage will continue under the policy, while the policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The Policyholder may change the terms of the policy at any time with ReliaStar Life Insurance Company's agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the policy.

SPOUSE ENDORSEMENT FOR NEW HAMPSHIRE RESIDENTS

Your Certificate(s) and Spouse rider(s) have been changed as follows. Please keep this endorsement with your Certificate(s). This endorsement is subject to all other terms of the Policy.

If your Certificate contains definitions of "You and Your" and "We, Us and Our", then all references to "you" and "your" in this endorsement mean "You and Your" as defined in your Certificate, and all references to "we" and "us" and "our" in this endorsement mean "We, Us and Our" as defined in your Certificate.

I. CONTINUATION FOLLOWING DIVORCE OR LEGAL SEPARATION

If you divorce or legally separate, and the final decree of divorce or legal separation does not expressly prohibit continuation of coverage for your former Spouse, then your former Spouse can elect to continue Spouse coverage for a limited time. The former Spouse must have been insured under our Policy as your Spouse on the date before the date of divorce or legal separation. In order to continue coverage under this provision, the former Spouse has 30 days after the date of divorce or legal separation in which to make the election, pay the first premium, and provide us with the final decree of divorce or legal separation.

When we put the former Spouse on continuation under this provision, the former Spouse becomes the owner of that Spouse coverage under the Policy. All Spouse benefits are payable to the former Spouse. Premiums will be billed directly to the former Spouse. Continued premium payment is required to keep coverage in force. The benefits and premium rates for Spouse coverage continued under this provision will remain the same as though the former Spouse were still eligible as your lawful Spouse. Spouse coverage may not be increased.

Spouse coverage continued under this provision will end on the earliest of the following:

- The 3-year anniversary of the final decree of divorce or legal separation.
- The date of the former Spouse's remarriage.
- The date of your remarriage.
- The date the former Spouse dies.
- The date you die.
- The end date of coverage, if any, as provided by the final decree of divorce or legal separation.
- The end of the period for which the former Spouse paid premiums, if the former Spouse stops making a required premium contribution, subject to the grace period.
- The date the Policy terminates.

If all of the following are true:

- the former Spouse's coverage was being continued under a similar provision of the Employer's prior group policy that provided the same type of coverage as our Policy,
- your coverage under the prior policy is replaced by coverage under our Policy, and
- the former Spouse's coverage under the prior policy stops due to the prior policy's termination,

then the former Spouse can elect to continue the Spouse coverage for the remainder of the time period described above while our Policy is in force. The benefits, premium rates and all other terms for continued Spouse coverage are subject to the terms of our Policy. In order to continue Spouse coverage, the former Spouse has 30 days after your coverage effective date under our Policy in which to make the election, pay the first premium, and provide us with proof of their eligibility for continuation under the prior policy.

II. EFFECTIVE DATE

This endorsement is effective for you on or after the later of the following dates:

- The Policy effective date.
- The effective date of your insurance.
