GOVERNING JURISDICTION: Massachusetts

THIS IS LIMITED BENEFIT INDEMNITY COVERAGE

Benefits are paid for Covered Accidents as defined in the Certificate. The Policy does not constitute comprehensive health insurance coverage (often referred to as “major medical insurance coverage”). In addition, the Policy does not satisfy the requirement of minimum essential coverage under the Affordable Care Act. Benefits are paid under the Policy for Covered Accidents as indemnity insurance and are not intended to cover medical expenses.

The Policy, alone, does not meet Minimum Creditable Coverage standards and will not satisfy the individual mandate that you have health insurance. Please see the CREDITABLE COVERAGE provision in the GENERAL PROVISIONS section of your Certificate.

ReliaStar Life Insurance Company certifies that we have issued the group Policy listed above to the Policyholder. The Policy is available for you to review if you contact the Policyholder for more information. **This is your Certificate as long as you are eligible for coverage and you become insured. Please read it carefully and keep it in a safe place.** This Certificate replaces any other Certificates we may have given you for the same level of coverage under the Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group Policy but by itself is not a policy. Your coverage may be changed under the terms and conditions of the Policy. The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. standard time at the Policyholder's address and end at 12:00 midnight standard time at the Policyholder's address. The coverage under the Policy is conditionally renewable according to the terms and provisions of the Policy.

In this Certificate, “you” and “your” refer to an Associate who is eligible for coverage under the Policy; “we”, “us” and “our” refer to ReliaStar Life Insurance Company.

Exclusions may apply. Please read your Certificate carefully.

Once your coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION OF COVERAGE

- The date the Policy terminates. See the PORTABILITY provision.
- The last day of the month during which your eligible class is no longer covered. See the PORTABILITY provision.
- The last day of the month during which you voluntarily cancel your coverage. See the PORTABILITY provision.
- The end of the period for which premiums are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The last day of the month during which you are no longer in Active Employment. See the PORTABILITY provision.

If your employment ends, your coverage will continue under the Policy for a period of 31 days unless during that period you are otherwise entitled to similar benefits. Premium payment is required.

If your employment is terminated due to a plant closing or a partial closing (as defined in section 71A of Chapter 151A, Massachusetts Statutes), Your coverage will continue under the Policy for a period of 90 days unless during that period you are otherwise entitled to similar benefits. Premium payment is required.

We will pay benefits for a loss that occurs while you are covered under the Policy even if the Policy has since terminated.

POLICY TERMINATION

The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy for any of the following reasons:

- There is less than 15% participation of those eligible persons who pay all or part of their premium for the Policy.
- The Policyholder does not promptly provide us with information that is reasonably required.
- Fewer than 25 persons are insured under the Policy.
- The premium is not paid in accordance with the provisions of the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing accident coverage to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, Written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by Written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY

Portability means you have the option to continue your coverage after it would otherwise terminate, if certain conditions are met. You must elect portability before you reach age 70.

You may continue your coverage if it would otherwise terminate due to any of the following:

- You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Active Associates.
- Coverage terminates under the Policy for all Insured Persons except those individuals on portability, and the Policyholder does not replace it with similar insurance coverage.
- You are no longer eligible for coverage under the Policy.

The Employer or we will provide you with the information needed to continue your coverage under this provision. Continuation of coverage must be elected within 31 days of when it would otherwise terminate. Coverage continued under this provision is subject to all the terms of this Certificate.

You may decrease the continued coverage amount based on the amounts available on the SCHEDULE OF BENEFITS. You may not increase the continued coverage amount. Your continued coverage will not include any Additional Services Rider. Continued premium payment is required to keep coverage in force. Premiums will be billed directly to you. The initial premium will be based on the portability premium rates in effect at the time you are eligible to continue your coverage under this provision. We may change the portability premium rates at any time upon 60 days Written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums are paid if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date you die.
- The date the Policy terminates because we stop providing accident coverage to all groups in the Policy issue state and coverage terminates for all Insured Persons and any other persons covered under any riders under the Policy. We will provide 60 days Written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the Policyholder's grace period the Policy will remain in force. If the full premium payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance Written notice of termination, or if we have given the Policyholder advance Written notice of termination as described under the POLICY TERMINATION provision.

If you are continuing your coverage under the PORTABILITY provision, you have a grace period of 31 days for the payment of any premium due. During your grace period, your coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to you that if the premium is not paid by the end of the grace period, all coverage will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to you, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES

All statements made by the Policyholder and you are considered representations and not warranties.

INCONTESTABILITY

We will not use any statements made by you to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written application or enrollment form relating to your insurability. Except for fraud, we will not use such statements to contest insurance after it has been in force for two years from its effective date. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date if permitted by applicable law in the governing jurisdiction. The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by the Policyholder or us will not:

- Prevent you from being covered, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.
- End insurance validly in effect.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

CREDITABLE COVERAGE

As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years of age and older, must have health coverage that meets the Minimum Creditable Coverage standards set by the Commonwealth Health Insurance Connector, unless waived from the health insurance requirement based on affordability or individual hardship. For more information call the Connector at 1-877-MA-ENROLL or visit the Connector website (www.mahealthconnector.org).

This plan is not intended to provide comprehensive health care coverage and does not meet Minimum Creditable Coverage standards, even if it does include services that are not available in your other health plans.

ASSIGNMENT

No assignment of benefits under the Policy is valid, unless otherwise specified in the Policy.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the governing jurisdiction, is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

The Policy may be amended at any time by Written agreement between the Policyholder and us. No change in the Policy will be valid until approved by one of our executive officers. Such approval must be in Writing and will be endorsed or attached to the Policy. Changes requiring regulatory approval will not be valid until approved by the appropriate regulatory body. We will issue new Certificates or riders or endorsements to effect such changes, and only those forms Signed by one of our executive officers will be valid.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to waive any terms of the Policy.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision, your Spouse has a grace period of 60 days for the payment of any premium due. During this grace period, your Spouse's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Spouse's coverage was in force during the grace period.

ACCIDENT BENEFITS

Benefit amounts for your Spouse are the same as the benefit amounts for you as shown on the Certificate's SCHEDULE OF BENEFITS. We will pay benefits if your Spouse receives any of the services or meets any of the conditions described in the ACCIDENT BENEFITS sections of the Certificate, as the result of Injuries received in a Covered Accident. The Injury must occur while your Spouse is covered under the Policy.

Only one pet boarding benefit is payable per eligible pet if you and your Spouse are simultaneously Confined in a Hospital or a Critical Care Unit or a Rehabilitation Facility.

- War or any act of war, whether declared or undeclared (excluding acts of terrorism).
- Loss sustained while on active duty as a member of the armed forces of any nation. We will refund, upon Written notice of such service, any premium which has been accepted for any period not covered as a result of this exclusion.

CLAIMS

A claimant includes you or your Spouse if your Spouse has continued coverage under a PORTABILITY provision.

NOTICE OF CLAIM

Notice of claim should be given to us within 30 days after the date of loss. The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or can be requested from us. If the form is not received from us within 15 days of the request, Written proof of claim may be sent to us without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss, and is provided within the time period below for proof of claim, the claimant will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by the claimant and the Employer and your Spouse's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

Written proof of claim must be sent to us within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, proof of claim must be provided no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Spouse to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require your Spouse to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits under this rider are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION

A claimant can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your Spouse's coverage.

SCHEDULE OF BENEFITS

WHO PAYS FOR THE COVERAGE

You pay the cost of coverage under this rider.

ACCIDENT BENEFITS

The benefit amounts for your Children are the same as the benefit amounts for you as shown on the SCHEDULE OF BENEFITS section of the Certificate, based on your Child's Covered Accident.

DEFINITIONS

General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Children.

Child or **Children** means a child from live birth but less than 26 years of age who is one of the following:

- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
- A child of your domestic partner as defined by the Employer if you have completed and Signed a declaration of domestic partnership on a form acceptable to the Employer.
- Your grandchild if the child's parent is insured as your Child under this rider.

The child must also meet all of the following conditions:

- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Associate or Spouse.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches age 26. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing. Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit.

Spouse means your lawful spouse. It also includes your domestic partner as defined by the Employer if you have completed and Signed a declaration of domestic partnership on a form acceptable to the Employer. Any reference to marriage includes establishment of a domestic partnership. Any reference to divorce includes termination of a domestic partnership.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date coverage under this rider is available to the eligible class of Insured Persons to which you belong.
- Your Accident coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Associate, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Associate, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Associate then the other parent may enroll for Children's coverage under this rider within 60 days.

ENROLLMENT

If you have a Child or Children eligible for coverage, you must enroll for any coverage before it will become effective. You may enroll for Children's coverage during an enrollment period chosen by the Employer and approved by us. The Employer or we will provide you with the forms or information needed to complete your enrollment.

EFFECTIVE DATE OF COVERAGE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you enroll for Children's coverage.
- The date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for non-medical-related absences.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION OF COVERAGE

Coverage for each of your Children under this rider ends on the earliest of the following:

- The last day of the month during which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- The date coverage for all your Children ends as described below.

Coverage for all your Children under this rider ends on the earliest of the following:

- The date your Accident insurance terminates. See the PORTABILITY FOLLOWING DEATH provision below if termination is due to death.
- The date coverage under this rider is terminated for all Active Associates under the Policy. See the PORTABILITY provisions below regarding Children's coverage previously continued by you or your Spouse.
- The date coverage under this rider is terminated for the eligible class of Active Associates to which you belong. See the PORTABILITY provisions below regarding Children's coverage previously continued by you or your Spouse.
- The last day of the month during which you voluntarily cancel coverage under this rider.
- The last day of the month during which you no longer have any eligible Children as defined by this rider.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

We will pay benefits for a loss that occurs while your Child is insured under this rider even if this rider has since terminated.

PORTABILITY

If you continue your coverage under the Certificate's PORTABILITY provision, then your Children's coverage under this rider may also be continued at the same time. Continued premium payment is required to keep your Children's coverage in force. You may decrease the continued Children's coverage amount based on the available amounts on the Certificate's SCHEDULE OF BENEFITS. You may not increase the continued Children's coverage amount. Continued Children's coverage under this provision is subject to all the terms of this rider.

PORTABILITY FOLLOWING DEATH

If you die and your Spouse continues coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision of the Spouse Accident Rider, then Children's coverage under this rider may be continued at the same time under your Spouse's coverage. After continuing coverage under this rider, each Child will be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Associate.

If your Spouse continues coverage under this provision, your Spouse will become the owner of the Children's coverage under this rider. Your Spouse may decrease the continued Children's coverage amount based on the amounts available on the Certificate's SCHEDULE OF BENEFITS. Your Spouse may not increase the continued Children's coverage amount. Your Children's continued coverage will not include any Additional Services Rider. Coverage continued under this provision is subject to all the terms of this rider.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 31 days Written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse's coverage under the Spouse Accident Rider terminates.
- The date there are no longer any eligible Children as defined by this rider.
- The date the Policy terminates because we stop providing accident coverage to all groups in the Policy issue state and coverage for all Covered Persons under the Policy terminates. We will provide 60 days Written notice of termination.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing Children's coverage under the PORTABILITY FOLLOWING DEATH provision, your Spouse has a grace period of 60 days for the payment of any premium due. During this grace period, your Children's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Children's coverage was in force during the grace period.

ACCIDENT BENEFITS

Benefit amounts for your Children are the same as the benefit amounts for you as shown on the Certificate's SCHEDULE OF BENEFITS. We will pay benefits if your Child receives any of the services or meets any of the conditions described in the ACCIDENT BENEFITS sections of the Certificate, as the result of Injuries received in a Covered Accident. The Injury must occur while your Child is covered under the Policy. Benefits are payable for each covered Child.

No family care benefit is payable for your Child's Covered Accident.

- Loss sustained while on active duty as a member of the armed forces of any nation. We will refund, upon Written notice of such service, any premium which has been accepted for any period not covered as a result of this exclusion.
- Alcoholism, drug abuse, or misuse of alcohol or taking of drugs, other than under the direction of a Doctor.
- Riding in or driving any motor-driven vehicle in a race, stunt show or speed test.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at www.califega.org, or contact either of the following:

Insurance companies and agents are not allowed by California law to use the existence of the Association or its coverage to solicit, induce or encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and California law, then California law will control.

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

1132 Bishop Street, Suite 1590
Honolulu, Hawaii 96813**

**Department of Commerce and Consumer Affairs
Insurance Division
P.O. Box 3614

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner of multiple non-group policies of life insurance.

ACCIDENT-ONLY COVERAGE

THE CERTIFICATE PROVIDES LIMITED BENEFITS

BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER ALL MEDICAL EXPENSES

OUTLINE OF COVERAGE FOR IDAHO RESIDENTS

Read Your Certificate Carefully. This outline of coverage provides a very brief description of the important features of the coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of the Policyholder, you, and ReliaStar Life Insurance Company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!

Accident-only coverage is designed to provide, to persons insured, coverage for certain losses resulting from a covered accident ONLY, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.

The policy provides benefits if a covered person receives any of the services or meets any of the conditions included in the "Schedule of Benefits" as a result of injuries received in a covered accident. The general categories of benefits are: Accident Hospital Care, Accident Care and Common Injuries. A partial listing of losses follows. Please consult your certificate and riders for specific information about how these terms are used, any requirements that describe qualifying for a particular loss, and the benefit amounts. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the policy.

- Accident Hospital Care includes: surgery; blood, plasma, platelets; hospital admission; hospital confinement; coma; transportation; and lodging. At the Policyholder's option, it may also include: critical care unit confinement, rehabilitation facility confinement; or family care benefits.
- Accident Care includes: medical equipment; physical or occupational therapy; and prosthetic devices. At the Policyholder's option, it may also include: initial doctor visit; urgent care facility treatment; emergency room treatment; ambulance benefits; follow-up doctor treatment, chiropractic care; speech therapy; major diagnostic exams; or x-rays.
- Common Injuries includes: burns; skin grafts; emergency dental work; eye injuries; torn knee cartilage; lacerations; ruptured disk; tendon/ligament/rotator cuff; concussion; paralysis; dislocations and fractures.

Accident-only coverage is subject to exclusions which may prevent benefits from being paid. Also, benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination, and there is generally a requirement that services or conditions be met within a certain time period following a covered accident. The Policyholder may also choose to have an eligibility waiting period, during which time no coverage is in force. **Riders may have benefit reductions or termination provisions based on age.**

The exclusions that apply to all provisions for Accident-only coverage are provided in the "Exclusions" section of the certificate and any riders. The "Schedule of Benefits", the Benefits section(s) and the "Exclusions" section of the certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the policy.

Exclusions in the certificate:

Benefits are not payable for any loss caused in whole or directly by any of the following:

- Participation in a felony.
- Suicide, attempted suicide or any intentionally self-inflicted injury, while sane or insane.
- War or any act of war, whether declared or undeclared (other than acts of terrorism).
- Service in the armed forces or units auxiliary to it. We will refund, upon written notice of such service, any premium which has been accepted for any period not covered as a result of this exclusion.
- Alcoholism or drug addiction
- Aviation for wage or profit. Flying as a fare-paying passenger is not excluded.
- Any sickness or declining process caused by a sickness.

Your coverage will continue under the policy, while the policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The eligibility requirements for a spouse and children may include age limitations, as provided in the riders. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of any age restrictions under the policy.

The Policyholder may change the terms of the policy at any time with ReliaStar Life Insurance Company's agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the policy.

THIS IS NOT A MEDICARE SUPPLEMENT POLICY. If you are eligible for Medicare, review the "Guide to Health Insurance for People with Medicare" available from the company.

MINNESOTA CONTINUATION CERTIFICATE ENDORSEMENT
for Group Accident Insurance or Group Limited Benefit Insurance

Your Certificate has been changed as follows. Please keep this endorsement with your Certificate. This endorsement is subject to all other terms of the Policy.

If the coverage in your Certificate is called Group Limited Benefit Insurance, then all references in this endorsement to the "Spouse Accident Rider" mean the Spouse Limited Benefit Rider, and all references to the "Children's Accident Rider" mean the Children's Limited Benefit Rider.

If any riders include an EXTENSION FOLLOWING DEATH and/or an EXTENSION FOLLOWING DEATH OR DIVORCE provision, then all references in this endorsement to "Portability" mean Extension.

If your Certificate includes an Adverse Outcome Accident Rider, then all references in this endorsement to "Catastrophic Accident Rider" mean the Adverse Outcome Accident Rider.

I. SPOUSE ACCIDENT RIDER

If your Certificate includes a Spouse Accident Rider, then the PORTABILITY FOLLOWING DEATH OR DIVORCE provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE

If you die or divorce, your Spouse can elect to maintain Spouse coverage if certain conditions are met. Upon your Spouse's request, the Employer will provide your Spouse with information about the cost of maintaining coverage under this provision and how to elect continuation. Your Spouse must have been insured under this rider on the date of your death or divorce, and your Spouse must elect continuation and pay the first premium within 90 days of the date of your death or divorce.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Spouse becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your Spouse.

Coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Spouse according to this rider's TERMINATION provision.
- The date your Spouse becomes covered under any group accident policy as an employee, member or spouse.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

If your Spouse Accident Rider does not include a PORTABILITY FOLLOWING DEATH OR DIVORCE provision, then the provision above is added to the rider.

Any references to Portability in the BENEFIT PAYMENTS provision on the Spouse Accident Rider are replaced by the following:

For MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits unpaid at your Spouse's death will be paid to your Spouse's estate.

If your Spouse Accident Rider does not include references to Portability in the BENEFIT PAYMENTS provision, then the above statement is added to the BENEFIT PAYMENTS provision on the rider.

II. CHILDREN'S ACCIDENT RIDER

If your Certificate includes a Children's Accident Rider, then the PORTABILITY FOLLOWING DEATH provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH

If you die while this rider is in force, Children's coverage can be maintained if certain conditions are met. Your Children must have been insured under this rider on the date of your death. Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to your death.

If your Spouse has elected Minnesota continuation under the Spouse Accident Rider, then your Spouse may also elect continuation of this Children's Accident Rider at the same time. If you do not have an eligible Spouse insured under the Spouse Accident Rider at the time of your death, then each eligible Child insured under the Children's Accident Rider may elect Minnesota continuation and pay the first premium within 90 days of the date of your death.

Upon request of your Spouse, Child or the Child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to your Spouse, Child or Child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time your Child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your Spouse, Child or Child's legal guardian as applicable.

If your Spouse or the Child's legal guardian dies while a Child's coverage is in force under this provision, then the Child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the Child's coverage under this provision.

Each Child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the Child according to this rider's TERMINATION provision.
- The end of the period for which premium are paid for the Child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the Child becomes covered under any group accident policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

If your Children's Accident Rider does not include a PORTABILITY FOLLOWING DEATH provision, then the provision above is added to the rider.

The following provisions are also added to the Children's Accident Rider:

MINNESOTA CONTINUATION FOLLOWING DIVORCE

If you divorce and your former spouse has elected Minnesota continuation under the Spouse Accident Rider, then this Children's Accident Rider can be maintained under your former spouse's coverage for each child whose coverage would otherwise terminate due to the divorce. Upon your former spouse's request, the Employer will provide your former spouse with information about the cost of maintaining coverage under this provision and how to elect continuation.

Premiums will be billed directly to your former spouse. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to your former spouse.

If your former spouse dies while a child's coverage is in force under this provision, then the child or their legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

Each child's coverage maintained under this provision will end on the earliest of the following:

- The date coverage would otherwise terminate for the child according to this rider's TERMINATION provision.
- The end of the period for which premiums are paid for the child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the child becomes covered under any group accident policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD

If your Child's coverage under this rider would otherwise terminate because the child no longer meets the definition of Child in this rider, for a reason other than your death or divorce, then the child can elect to maintain Child coverage under this rider for a period of time. The child (or the child's legal guardian) must elect continuation and pay the first premium within 90 days of the date of loss of eligibility.

Upon request of the child or the child's legal guardian, the Employer will provide that person with information about the cost of maintaining coverage under this provision and how to elect this continuation.

Premiums will be billed directly to the child or child's legal guardian as applicable. Ongoing premium payment is required to keep coverage in force. The initial premium will be based on the premium rates in effect at the time the child becomes eligible for this continuation. We may change the premium rates at any time upon 60 days written notice to the child or child's legal guardian as applicable.

If the child's legal guardian dies while the child's coverage is in force under this provision, then the child or their new legal guardian must contact us within 31 days of the death for information about how to maintain the child's coverage under this provision.

A child's coverage maintained under this provision will end on the earliest of the following:

- 36 months after the date continuation under this provision started.
- The date coverage would otherwise terminate for the child according to this rider's TERMINATION provision.
- The end of the period for which premiums are paid for the child, if the next required premium contribution is not paid, subject to the GRACE PERIOD provision in the Certificate.
- The date the child becomes covered under any group accident policy as an employee, member, spouse or child.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days written notice of termination.

Any references to Portability in the BENEFIT PAYMENTS provision on the Children's Accident Rider are replaced by the following:

For MINNESOTA CONTINUATION FOLLOWING DIVORCE, benefits will be paid to your former spouse, and any accrued benefits unpaid at your former spouse's death will be paid to your former's spouse's estate. For MINNESOTA CONTINUATION FOLLOWING DEATH or MINNESOTA CONTINUATION WHEN YOUR CHILD NO LONGER MEETS THE DEFINITION OF CHILD, benefits will be payable to the person responsible for premium payments for that child, and any accrued benefits unpaid at that person's death will be payable to that person's estate.

If your Children's Accident Rider does not include references to Portability in the BENEFIT PAYMENTS provision, then the above statements are added to the BENEFIT PAYMENTS provision on the rider.

III. CATASTROPHIC ACCIDENT RIDER

If your Certificate includes a Catastrophic Accident Rider, then the PORTABILITY FOLLOWING DEATH OR DIVORCE provision on that rider is replaced by the following:

MINNESOTA CONTINUATION FOLLOWING DEATH OR DIVORCE

If you die or divorce and your Spouse is approved by us for Minnesota continuation under the Spouse Accident Rider, then this rider can also be continued under your Spouse's coverage.

If your Catastrophic Accident Rider does not include a PORTABILITY FOLLOWING DEATH OR DIVORCE provision, then the provision above is added to the rider.

NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association
3300 Wells Fargo Center
90 South Seventh Street
Minneapolis, Minnesota 55402
Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to \$500,000. Subject to this \$500,000 limit, the Guaranty Association will pay up to \$500,000 in life insurance death benefits, \$130,000 in net cash surrender and net cash withdrawal values for life insurance, \$500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, \$500,000 in disability income insurance, \$250,000 in annuity net cash surrender and net cash withdrawal values, \$410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant's lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be \$500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to \$250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than \$10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed \$10,000,000, the \$10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association's limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

SPOUSE ENDORSEMENT FOR NEW HAMPSHIRE RESIDENTS

Your Certificate(s) and Spouse rider(s) have been changed as follows. Please keep this endorsement with your Certificate(s). This endorsement is subject to all other terms of the Policy.

If your Certificate contains definitions of "You and Your" and "We, Us and Our", then all references to "you" and "your" in this endorsement mean "You and Your" as defined in your Certificate, and all references to "we" and "us" and "our" in this endorsement mean "We, Us and Our" as defined in your Certificate.

I. CONTINUATION FOLLOWING DIVORCE OR LEGAL SEPARATION

If you divorce or legally separate, and the final decree of divorce or legal separation does not expressly prohibit continuation of coverage for your former Spouse, then your former Spouse can elect to continue Spouse coverage for a limited time. The former Spouse must have been insured under our Policy as your Spouse on the date before the date of divorce or legal separation. In order to continue coverage under this provision, the former Spouse has 30 days after the date of divorce or legal separation in which to make the election, pay the first premium, and provide us with the final decree of divorce or legal separation.

When we put the former Spouse on continuation under this provision, the former Spouse becomes the owner of that Spouse coverage under the Policy. All Spouse benefits are payable to the former Spouse. Premiums will be billed directly to the former Spouse. Continued premium payment is required to keep coverage in force. The benefits and premium rates for Spouse coverage continued under this provision will remain the same as though the former Spouse were still eligible as your lawful Spouse. Spouse coverage may not be increased.

Spouse coverage continued under this provision will end on the earliest of the following:

- The 3-year anniversary of the final decree of divorce or legal separation.
- The date of the former Spouse's remarriage.
- The date of your remarriage.
- The date the former Spouse dies.
- The date you die.
- The end date of coverage, if any, as provided by the final decree of divorce or legal separation.
- The end of the period for which the former Spouse paid premiums, if the former Spouse stops making a required premium contribution, subject to the grace period.
- The date the Policy terminates.

If all of the following are true:

- the former Spouse's coverage was being continued under a similar provision of the Employer's prior group policy that provided the same type of coverage as our Policy,
 - your coverage under the prior policy is replaced by coverage under our Policy, and
 - the former Spouse's coverage under the prior policy stops due to the prior policy's termination,
- then the former Spouse can elect to continue the Spouse coverage for the remainder of the time period described above while our Policy is in force. The benefits, premium rates and all other terms for continued Spouse coverage are subject to the terms of our Policy. In order to continue Spouse coverage, the former Spouse has 30 days after your coverage effective date under our Policy in which to make the election, pay the first premium, and provide us with proof of their eligibility for continuation under the prior policy.

NOTICE OF PROTECTION PROVIDED BY NORTH DAKOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the North Dakota Life and Health Insurance Guaranty Association (“the Association”) and the protection it provides for policyholders. This safety net was created under North Dakota law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with North Dakota law, with funding from assessments paid by other insurance companies. For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations (HMOs).

The protections provided by the Association are based on contract obligations up to the following amounts:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of type of coverage, is \$300,000; however, may be up to \$500,000 with regard to health benefit plans.

“Health benefit plan” is defined in North Dakota Century Code Section 26.1-38.1-02(10) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance, and long-term care insurance (LTC).

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. If coverage is available, it will be subject to substantial limitations. There are also various residency requirements and other limitations under North Dakota law. To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.ndlifega.org, or contact:

Financial information for an insurance company, if the information is not proprietary, is available at the same address and telephone number and on the Insurance Department website at www.nd.gov/ndins.

Insurance companies and agents are not allowed by North Dakota law to use the existence of the Association or its coverage to sell, solicit, or induce you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and North Dakota law, then North Dakota law will control.

**NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:

Accident, accident and health, or health insurance (including HMOs):

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

Individual Annuities

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
- If the person is provided coverage by the guaranty association of another state.
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. Policyholders with additional questions should first contact their member insurer or agent. Summary of the South Carolina Life and Accident and Health Insurance Guaranty Association Act and Notice Concerning Coverage Limitations and Exclusions

Residents of South Carolina who hold life insurance, annuities, or health insurance policies should know that the insurance companies and health maintenance organizations (HMOs) licensed in this state to write these types of insurance are required by law to be members of the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA). The purpose of SCLAHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, SCLAHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through SCLAHIGA is limited. Consumers should shop around for insurance coverage and exercise care and diligence when selecting insurance coverage.

Disclaimer

Under South Carolina law, the South Carolina Life and Accident and Health Insurance Guaranty Association (SCLAHIGA) may provide coverage of certain direct life insurance policies, accident and health insurance policies, annuity contracts and contracts supplemental to life, accident and health insurance policies and annuity contract claims (covered claims) if the insurer becomes impaired or insolvent. South Carolina law does not require the SCLAHIGA to provide coverage for every policy. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.**

Coverage is generally conditioned upon residence in this state. Other conditions that may preclude or exclude coverage are described in this notice. Even if coverage is provided, there are significant limits and exclusions. Please read the entire notice for further details on limitations and exclusions.

Insurance companies and insurance agents are prohibited by law from using the existence of the SCLAHIGA or its coverage to sell you an insurance policy. You should not rely on the availability of coverage under SCLAHIGA when selecting an insurer. The South Carolina Life and Accident and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

If you think the law has been violated, you may file a written complaint with the SCLAHIGA or the South Carolina Department of Insurance at the addresses listed below:

South Carolina Life and Accident and Health Insurance Guaranty Association Attention: Executive Director P.O. Please attach copies of all pertinent documentation. You may submit a written complaint or a complaint electronically to the Department through submission of the electronic form on the Department's website at www.doi.sc.gov/complaint. You should receive a response to your complaint within 10 days.

This safety-net coverage is provided for in the South Carolina Life and Accident and Health Insurance Guaranty Association Act (the Act). The following summary of the Act's coverages, exclusions and limits does not cover all provisions of the Act; nor does it in any way change any person's rights or obligations under the Act or the rights or obligations of the SCLAHIGA.

COVERAGE

Generally, individuals will be protected by the SCLAHIGA if they live in this state and hold a covered life, accident, health or annuity policy, plan or contract issued by an insurer (including a health maintenance organization) authorized to conduct business in South Carolina. The beneficiaries, payees or assignees of insured persons may also be protected if they live in another state unless circumstances described under the Act exclude coverage.

EXCLUSIONS FROM COVERAGE

Persons who hold a covered life, accident, health or annuity policy, plan or contract are not protected by SCLAHIGA if:

- They are eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- The insurer was not authorized to do business in this state; or
- They acquired rights to receive payments through a structured settlement factoring agreement.

SCLAHIGA also does not provide coverage for:

- A portion of a policy or contract or part thereof not guaranteed by the member insurer, or under which the risk is borne by the policy or contract owner;
- A policy or contract of reinsurance, unless assumption certificates have been issued;
- Interest rate or crediting rate yields or similar factors employed in calculating value changes that exceed an average rate;
- Any policy or contract issued by assessment mutuals, fraternal, and nonprofit hospital and medical service plans;
- Benefits payable by an employer, association or other person under: (a) a multiple employer welfare arrangement; (b) a minimum premium group insurance plan; (c) a stop-loss group insurance plan; or (d) an administrative services contract;
- A portion of a policy or contract to the extent that it provides for (a) dividends or experience rating credits; (b) voting rights; or (c) payment of any fees or allowances to any person, including the policy or contract owner, in connection with the service to or administration of the policy or contract;
- A portion of a policy or contract to the extent that the assessments required by Section 38-29-80 with respect to the policy or contract are preempted by federal or state law;
- An obligation that does not arise under the express written terms of the policy or contract issued by the member insurer to the enrollee, certificate holder, contract owner or policy owner, including without limitation: (a) Claims based on marketing materials; (b) Claims based on side letters, riders or other documents that were issued by the member insurer without meeting applicable policy or contract form filing or approval requirements; (c) Misrepresentations of or regarding policy or contract benefits; (d) Extra-contractual claims; or (e) A claim for penalties or consequential or incidental damages;
- An unallocated annuity contract;
- A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C or D or Medicaid; or
- Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes impaired or insolvent insurer, whichever is earlier.

LIMITS ON AMOUNTS OF COVERAGE

The South Carolina Life and Accident and Health Insurance Guaranty Association Act also limits the amount that SCLAHIGA is obligated to pay for covered claims. The benefits for which SCLAHIGA may become liable shall in no event exceed the lesser of the following:

(i) With respect to one life, regardless of the number of policies or contracts:

- \$300,000 in life insurance death benefits, or not more than \$300,000 in net cash surrender and net cash withdrawal values for life insurance;

- income insurance; (c) \$300,000 for long-term care insurance; (d) \$500,000 for health benefit plans; or
 - \$300,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values;
- (ii) with respect to each payee of a structured settlement annuity or beneficiary if the payee is deceased, \$300,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values, if any,
- (iii) the association is not obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to benefits for health benefit plans, in which case the aggregate liability of the association shall not exceed \$500,000 with respect to any one individual or with respect to one owner of multiple nongroup policies of life insurance, whether the policy or contract owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons, more than \$5,000,000 in benefits, regardless of the number of policies and contracts held by the owner;
- (iv) the limitations on the benefits for which the association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the association's obligations may be met by the use of assets attributable to covered policies or reimbursed to the association pursuant to its subrogation and assignment rights;
- (v) benefits provided by a long-term care rider to a life insurance policy or annuity contract are considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER
THE SOUTH DAKOTA LIFE AND
HEALTH INSURANCE GUARANTY
ASSOCIATION ACT**

Residents of South Dakota who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the South Dakota Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policy owners, contract owners, and certificate owners will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Guaranty Association does not provide coverage for all types of life, health, or annuity benefits, and the Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and required continued residency in South Dakota. You should not rely on coverage by the South Dakota Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy or contract.

Coverage is NOT provided for your policy or contract for any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association for the purpose of sales, solicitation, or inducement to purchase any kind of insurance policy or contract.

The state law that provides for this safety-net coverage is called the South Dakota Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law, nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are an insured certificateholder under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state. Coverage is also provided by the Guaranty Association to persons eligible to receive payment under structured settlement annuities who are residents of this state and, under certain conditions, such persons even if they are not a resident of this state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy or contract was issued by an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy owner, contract owner or certificate owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does **not** provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate specified by statute;
- dividends;
- credits given in connection with the administration of a policy or contract by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals);
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the insurer; or
- policies providing health care benefits for Medicare Parts C or D Coverage.

LIMITS ON AMOUNT OF COVERAGE

The Guaranty Association in no event will pay more than what an insurance company would owe under a policy or contract. In addition, state law limits the amount of benefits the guaranty association will pay for any one insured life, and no matter how many policies or contracts there are with the same company, as follows: (i) for life insurance, not more than \$300,000 in death benefits and not more than \$100,000 in net cash surrender and net cash withdrawal values; (ii) for health benefit plans, not more than \$500,000, but not more than \$300,000 for disability insurance and long term care insurance, and not more than \$100,000 for other types of health insurance, and (iii) for annuities, not more than \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values. However, in no event will the Guaranty Association be obligated to cover more than an aggregate of \$300,000 in benefits with respect to any one life except with respect to health benefit plans, for which the aggregate liability of the guaranty association may not exceed \$500,000. These general statements of the limits on coverage are only summaries and the actual limitations are set forth in South Dakota law.

ADDITIONAL INFORMATION

The statutes which govern the Guaranty Association are contained in SDCL Chapter 58-29C. Additional information about the Guaranty Association may be found at www.sdlifega.org, which contains a link to SDCL Chapter 58-29C.

Information about the financial condition of insurers is available from a variety of sources, including financial rating agencies such as A.M. Best Company, Fitch Ratings, Moody's Investors Service, Inc., and Standard & Poor's. Additional information about financial rating agencies may be obtained by clicking on "Useful Links" on the website of the South Dakota Division of Insurance at www.dlr.sd.gov/insurance

The Guaranty Association is subject to supervision and regulation by the director of the South Dakota Division of Insurance. Persons who desire to file a complaint to allege a violation of the statutes governing the Guaranty Association may contact the Division of Insurance. State law provides that any suit against the Guaranty Association shall be brought in Hughes County, South Dakota.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

**NOTICE OF PROTECTION PROVIDED BY
VERMONT LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** of the Vermont Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Vermont law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Vermont law, with funding from assessments paid by other insurance companies. (For purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs).) The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender and withdrawal values
- Health Insurance
 - \$500,000 for health benefit plans (see definition below)
 - \$300,000 in disability [income] insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to health benefit plans.

"Health benefit plan" is defined in 8 V.S.A. Section 4175 (11) and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance (LTCI).

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Vermont law.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, [as well as protections relating to group contracts or retirement plans,] please visit the Association's website at www.vtlifeqa.org, or contact:

Insurance companies and agents are not allowed by Vermont law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance or HMO coverage. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Vermont law, then Vermont law will control.

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
