Get basic coverage at no cost

Your employer is providing basic Group Term Life Insurance to you at no cost to you. This means that if you pass away during the “term” (your employer’s benefit year), beneficiaries will receive a benefit payment.

The coverage being offered to you is:

	Coverage Amount
 For you	2x annual salary not to exceed a maximum of \$600,000

Add supplemental coverage based on your needs

In addition to the basic coverage that's being provided at no cost to you, you have the opportunity to elect additional coverage when you enroll. You may also add supplemental Accidental Death & Dismemberment Insurance, which provides the insured person or their beneficiary a payment separate from the life insurance benefit if the insured person dies or is severely injured in a covered accident.

When you enroll, you'll have the opportunity to choose up to the following amount(s):

	Coverage Amount	Guaranteed Issue Limit
 For you	1, 2, 3, 4 or 5 times your annual salary to a maximum of \$600,000	5 times your salary, to a maximum of \$600,000
 Your spouse*	\$10,000, \$20,000, \$30,000, \$40,000, \$50,000, \$75,000 or \$100,000, not to exceed 50% of your coverage amount	\$50,000
 Your child(ren)*	\$5,000	\$5,000

*Spouse must be under age 70. "Spouse" also includes domestic partners or civil union partners as defined by the group policy. Children up to age 26. If your spouse or child are eligible for coverage as an employee, they are not eligible for additional coverage as a spouse or child.

Guaranteed-Issue Limit and Evidence of Insurability

The guaranteed-issue limit is the amount that's available to new hires during their initial enrollment period without providing evidence of insurability (EOI). Existing employee and/or spouse coverage can be increased by one plan increment at annual enrollment without providing EOI. To get coverage beyond this limit, you'll need to complete the EOI form for all applicable family members. This form includes questions about current and past health

conditions. The insurer may request additional information before approving or denying coverage. When evidence of insurability is required, the insurance company will need to approve it before coverage becomes effective.

Age reductions

Benefit amount reduces to 65% of original coverage when the employee or spouse reaches age 70; 50% at age 75. Premium amounts are also reduced accordingly and automatically adjusted for the new benefit amount(s).
