Get basic coverage at no cost

Your employer is providing basic Group Term Life Insurance to you at no cost to you. This means that if you pass away during the “term” (your employer’s benefit year), beneficiaries will receive a benefit payment. Your coverage also includes Accidental Death & Dismemberment Insurance, which provides a benefit payment if you pass away or are severely injured in a covered accident.

The coverage being offered to you is:

	Coverage Amount
 For you	1x basic annual earnings to a max of \$250,000

Add supplemental coverage based on your needs

In addition to the basic coverage that’s being provided at no cost to you, you have the opportunity to elect additional coverage when you enroll. Supplemental Accidental Death & Dismemberment insurance is also included, which provides the insured person or their beneficiary a payment separate from the life insurance benefit if the insured person dies or is severely injured in a covered accident.

When you enroll, you’ll have the opportunity to choose up to the following amount(s):

	Coverage Amount	Guaranteed Issue Limit
 For you	\$10,000 to a maximum of \$300,000 in \$10,000 increments, not to exceed 5 times basic annual earnings.	\$200,000
 Your spouse	\$5,000 to a maximum of \$150,000 in \$5,000 increments, not to exceed 50% of the employee’s Supplemental Life insurance amount.	\$75,000
 Your child(ren)*	\$10,000	\$10,000

Children up to age 26. If your spouse or child are eligible for coverage as an employee, they are not eligible for additional coverage as a spouse or child.

Guaranteed-Issue Limit and Evidence of Insurability

The guaranteed-issue limit is the amount that’s available to new hires, when newly eligible, or following a change in family status, without providing evidence of insurability (EOI). To get coverage beyond this limit, you may need to complete the EOI form for all applicable family members. This form includes questions about current and past health conditions. The insurer may request additional information before approving or denying coverage.

If you currently have Supplemental Life Insurance, you may elect to increase your coverage amount during a scheduled annual enrollment period by \$20,000 or two plan increments, whichever is less, without providing evidence of insurability.

If you are not currently enrolled in Supplemental Life Insurance, and newly enrolling as a late entrant during a scheduled annual enrollment period, you may elect coverage of \$20,000 or two plan increments, whichever is less, without providing evidence of insurability.

If you currently have Supplemental Spouse Life Insurance, you may elect to increase your coverage amount during a scheduled annual enrollment period by \$10,000 or two plan increments, whichever is less, without providing evidence of insurability.

If you are not currently enrolled in Supplemental Spouse Life Insurance, and newly enrolling as a late entrant during a scheduled annual enrollment period, you may elect coverage of \$10,000 or two plan increments, whichever is less, without providing evidence of insurability.

When evidence of insurability is required, the insurance company will need to approve it before coverage becomes effective.

Benefit amount reduces to 65% of original coverage when the employee or spouse reaches age 70; 50% at age 75. Coverage terminates at retirement unless retiree coverage is provided. Premium amounts are also reduced accordingly, and automatically adjusted for the new benefit amount(s).
