

Help minimize the financial impact that can come with an accidental injury

What is it?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Who can be covered?

Your employer provides Accident Insurance for you, your spouse* and children** at no cost to you if you are enrolled in the HDHP medical plan. You also have the option to enroll in supplemental Accident Insurance coverage to meet your needs if you are not enrolled in the HDHP medical plan or wish to cover dependents who you do not cover on the HDHP medical plan.

*Employees must be enrolled in order to elect coverage for eligible spouse and eligible dependent children as defined in the Certificate of Coverage and Riders

Why should I consider it?

-  Benefits will be paid directly to you to use for any purpose, such as paying out-of-pocket medical expenses, copays, deductibles, groceries, gas, utilities and more – it's up to you.
-  Coverage is always guaranteed issue.
-  You can choose to take this coverage with you if you leave your employer or retire, and you'll be billed at the same rates via direct billing.

Wellness Benefit

Your coverage includes a Wellness Benefit, which will pay you an annual benefit when you and covered family members complete an eligible health screening test. These screenings may include a mental health screening, flu immunization, a mammogram and a routine eye or dental exam.

\$50 for employees, \$50 for spouses, 50% of your benefit amount, with an annual maximum of \$100 for all children per policy per calendar year

How much does it cost?

Your employer provides Accident Insurance at no cost to you if you are enrolled in the HDHP medical plan. You also have the option to elect supplemental Accident Insurance for you, your spouse and children if you are not enrolled in the HDHP medical plan or if you wish to cover dependents who are not covered on your HDHP medical plan. This table shows your rates.

The cost provided below includes Accident Insurance premium and a fee for Voya Travel Assistance.

However, the benefit amount will be no more than two times the benefit amount for the joint involved which pays the highest benefit amount. Other limitations and maximums may apply.
