- The date you enter an eligible class.
- The day after you complete your Eligibility Waiting Period, unless waived.

ENROLLMENT

If you are eligible for coverage, you must enroll for any coverage before it will become effective. You may enroll when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us.

EFFECTIVE DATE OF COVERAGE

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date you are eligible for coverage, if you enroll for coverage on or before that date.
- The first day of the month that is on or next follows the date you enroll for coverage.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment when your coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved non-medical leave of absence and paid time off for non-medical-related absences.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

TERMINATION OF COVERAGE

Your coverage under the Policy ends on the earliest of the following dates:

- The date the Policy terminates. See the PORTABILITY provision.
- The last day of the month during which you are no longer in an eligible class. See the PORTABILITY provision.
- The last day of the month during which your eligible class is no longer covered. See the PORTABILITY provision.

- The end of the period for which premiums are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The last day of the month during which you are no longer in Active Employment. See the PORTABILITY provision.

We will pay benefits for a loss that occurs while you are covered under the Policy even if the Policy has since terminated.

POLICY TERMINATION

The Policy can be terminated either by us or by the Policyholder.

We may terminate the Policy for any of the following reasons:

- There is less than 15% participation of those eligible persons who pay all or part of their premium for the Policy.
- The Policyholder does not promptly provide us with information that is reasonably required.
- Fewer than 25 persons are insured under the Policy.

- The premium is not paid in accordance with the provisions of the Policy.
- We determine that there is a significant change in the size, occupation or age of the eligible class(es) as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its persons.
- We stop providing accident coverage to all groups in the Policy issue state.

We reserve the right to review and terminate all class(es) covered under the Policy if any class(es) cease(s) to be covered.

If the Policyholder fails to pay the full premium due by the end of the grace period, the Policy will terminate according to the GRACE PERIOD provision.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, Written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by Written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY

Portability means you have the option to continue your coverage after it would otherwise terminate, if certain conditions are met. You must elect portability before you reach age 70.

You may continue your coverage if it would otherwise terminate due to any of the following:

- You terminate employment with the Employer, if coverage remains in effect under the Policy for other Active Employees.
- Coverage terminates under the Policy for all Insured Persons except those individuals on portability, and the Policyholder does not replace it with similar insurance coverage.
- You are no longer eligible for coverage under the Policy.

The Employer or we will provide you with the information needed to continue your coverage under this provision. Continuation of coverage must be elected within 31 days of when it would otherwise terminate. Coverage continued under this provision is subject to all the terms of this Certificate.

You may not increase the continued coverage amount. Continued premium payment is required to keep coverage in force. Premiums will be billed directly to you. The initial premium will be based on the portability premium rates in effect at the time you are eligible to continue your coverage under this provision. We may change the portability premium rates at any time upon 60 days Written notice to you.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums are paid if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date you die.
- The date the Policy terminates because we stop providing accident coverage to all groups in the Policy issue state and coverage terminates for all Insured Persons and any other persons covered under any riders under the Policy. We will provide 60 days Written notice of termination.

GRACE PERIOD

The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the Policyholder's grace period the Policy will remain in force. If the full premium payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance Written notice of termination, or if we have given the Policyholder advance Written notice of termination as described under the POLICY TERMINATION provision.

If you are continuing your coverage under the PORTABILITY provision, you have a grace period of 31 days for the payment of any premium due. During your grace period, your coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to you that if the premium is not paid by the end of the grace period, all coverage will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to you, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES

All statements made by the Policyholder and you are considered representations and not warranties.

INCONTESTABILITY

We will not use any statements made by you to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written application or enrollment form relating to your insurability. Except for fraud, we will not use such statements to contest insurance after it has been in force for two years from its effective date. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date if permitted by applicable law in the governing jurisdiction. The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR

Clerical error or omission by the Policyholder or us will not:

- Prevent you from being covered, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.
- End insurance validly in effect.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:

- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

ASSIGNMENT

No assignment of benefits under the Policy is valid, unless otherwise specified in the Policy.

AGENCY

For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

CONFORMITY WITH STATE STATUTES

Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the governing jurisdiction, is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE

The Policy may be amended at any time by Written agreement between the Policyholder and us. No change in the Policy will be valid until approved by one of our executive officers. Such approval must be in Writing and will be endorsed or attached to the Policy. Changes requiring regulatory approval will not be valid until approved by the appropriate regulatory body. We will issue new Certificates or riders or endorsements to effect such changes, and only those forms Signed by one of our executive officers will be valid.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to waive any terms of the Policy.

CLAIM FORM

The claim form is available from the Employer or can be requested from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss, and is provided within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

You must send us Written proof of your claim within 90 days after the date of loss. However, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. NOTICE OF CLAIM

Notice of claim should be given to us within 30 days after the date of loss. The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or can be requested from us. If the form is not received from us within 15 days of the request, Written proof of claim may be sent to us without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss, and is provided within the time period below for proof of claim, the claimant will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM

The claim form(s) may require completion by the claimant and the Employer and your Spouse's attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM

Written proof of claim must be sent to us within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, proof of claim must be provided no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Spouse to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require your Spouse to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits under this rider are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

The following only applies in the event that any claim under the Policy is not governed by the Employee Retirement Income Security Act of 1974, as amended (ERISA). Under Colorado law, if your claim has been denied in whole or in part, and you have exhausted your administrative remedies, you are entitled to have your claim reviewed de novo in any court with jurisdiction and to a trial by jury.

LEGAL ACTION

A claimant can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your Spouse's coverage.

SCHEDULE OF BENEFITS

WHO PAYS FOR THE COVERAGE

You pay the cost of coverage under this rider.

ACCIDENT-ONLY BENEFITS

The benefit amounts for your Children are the same as the benefit amounts for you as shown on the SCHEDULE OF BENEFITS section of the Certificate, based on your Child's Covered Accident.

DEFINITIONS

General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Children.

Child or Children means a child from live birth but less than 26 years of age who is one of the following:

- Your natural or adopted child (including a child placed for adoption).
- Your stepchild.
- A child of your civil union partner who is recognized as equivalent to a Spouse by Colorado law.
- A child of your domestic partner as defined by the Employer if you have completed and Signed an affidavit of domestic partnership on a form acceptable to the Employer.

The child must also meet all of the following conditions:

- Be unmarried or unpartnered.
- Not be on full-time active duty in the armed forces of any country or subdivision thereof.
- Legally reside in the United States or its territories or possessions.
- Not be insured under the Policy as an Employee or Spouse.

This definition includes your Child age 26 or older who is incapable of self-sustaining employment due to physical or intellectual disability. Written proof of the Child's incapacity must be furnished to us at our home office within 31 days after the Child reaches age 26. We may require, at reasonable intervals, but not more than once a year after the two year period following attainment of the limiting age, evidence satisfactory to us that the incapacity is continuing. Coverage will continue while the Child remains incapable of self-sustaining employment due to physical or intellectual disability and continues to meet the definition of Child except for the age limit.

Spouse means your lawful spouse. It includes your civil union partner who is recognized as equivalent to a Spouse by Colorado law. It also includes your domestic partner as defined by the Employer if you have completed and Signed an affidavit of domestic partnership on a form acceptable to the Employer. Any reference to marriage includes establishment of a domestic partnership or civil union. Any reference to divorce includes termination of a domestic partnership or civil union.

GENERAL PROVISIONS

ELIGIBILITY

If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date coverage under this rider is available to the eligible class of Insured Persons to which you belong.
- Your Accident-Only coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may enroll for Children's coverage under this rider within 60 days.

ENROLLMENT

If you have a Child or Children eligible for coverage, you must enroll for any coverage before it will become effective. You may enroll for Children's coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us. The Employer or we will provide you with the forms or information needed to complete your enrollment.

EFFECTIVE DATE OF COVERAGE

Your Children will be covered at 12:01 a.m. standard time at the Policyholder's address on the latest of the following:

- The date your Children are eligible for coverage, if you enroll for Children's coverage on or before that date.
- The first day of the month that is on or next follows the date you enroll for Children's coverage.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment when your Children's coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved nonmedical leave of absence and paid time off for non-medical-related absences.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30 days of birth, the "event" will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the "event" will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE

Once your Children's coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The date of the increased or additional coverage, if you are in Active Employment.
- The date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

TERMINATION OF COVERAGE

Coverage for each of your Children under this rider ends on the earliest of the following:

- The last day of the month during which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- The date coverage for all your Children ends as described below.

Coverage for all your Children under this rider ends on the earliest of the following:

- The date your Accident insurance terminates. See the PORTABILITY FOLLOWING DEATH provision below if termination is due to death.
- The date coverage under this rider is terminated for all Active Employees under the Policy. See the PORTABILITY provisions below regarding Children's coverage previously continued by you or your Spouse.
- The date coverage under this rider is terminated for the eligible class of Active Employees to which you belong. See the PORTABILITY provisions below regarding Children's coverage previously continued by you or your Spouse.
- The last day of the month during which you voluntarily cancel coverage under this rider.
- The last day of the month during which you no longer have any eligible Children as defined by this rider.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

We will pay benefits for a loss that occurs while your Child is insured under this rider even if this rider has since terminated.

PORTABILITY

If you continue your coverage under the Certificate's PORTABILITY provision, then your Children's coverage under this rider may also be continued at the same time. Continued premium payment is required to keep your Children's coverage in force. You may decrease the continued Children's coverage amount based on the available amounts on the Certificate's SCHEDULE OF BENEFITS. You may not increase the continued Children's coverage amount. Continued Children's coverage under this provision is subject to all the terms of this rider.

PORTABILITY FOLLOWING DEATH

If you die and your Spouse continues coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision of the Spouse Accident Rider, then Children's coverage under this rider may be continued at the same time under your Spouse's coverage. After continuing coverage under this rider, each Child will be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

If your Spouse continues coverage under this provision, your Spouse will become the owner of the Children's coverage under this rider. Your Spouse may decrease the continued Children's coverage amount based on the amounts available on the Certificate's SCHEDULE OF BENEFITS. Your Spouse may not increase the continued Children's coverage amount. Coverage continued under this provision is subject to all the terms of this rider.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 31 days Written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse's coverage under the Spouse Accident Rider terminates.
- The date there are no longer any eligible Children as defined by this rider.
- The date the Policy terminates because we stop providing accident coverage to all groups in the Policy issue state and coverage for all Covered Persons under the Policy terminates. We will provide 60 days Written notice of termination.

GRACE PERIOD

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate's PORTABILITY provision.

If your Spouse is continuing Children's coverage under the PORTABILITY FOLLOWING DEATH provision, your Spouse has a grace period of 60 days for the payment of any premium due. During this grace period, your Children's coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Children's coverage was in force during the grace period.

ACCIDENT-ONLY BENEFITS

Benefit amounts for your Children are the same as the benefit amounts for you as shown on the Certificate's SCHEDULE OF BENEFITS. We will pay benefits if your Child receives any of the services or meets any of the conditions described in the ACCIDENT-ONLY BENEFITS sections of the Certificate, as the result of Injuries received in a Covered Accident. The Injury must occur while your Child is covered under the Policy. Benefits are payable for each covered Child.

No family care benefit is payable for your Child's Covered Accident.

EXCLUSIONS

We will not pay benefits for any Accident-related condition that is contributed to, caused by or results from the following:

- Suicide, attempted suicide or any intentionally self-inflicted Injury, while sane.
- Any Sickness or declining process caused by a Sickness.
- Participation or attempt to participate in a felony or illegal activity.
- An Accident while your Child is operating a motorized vehicle while intoxicated. Intoxication means your Child's blood alcohol content meets or exceeds the legal presumption of intoxication under the laws of the state where the Accident occurred.
- War or any act of war, whether declared or undeclared (excluding acts of terrorism).
- Loss sustained while on active duty as a member of the armed forces of any nation. We will refund, upon Written notice of such service, any premium which has been accepted for any period not covered as a result of this exclusion.
- Alcoholism, drug abuse, or misuse of alcohol or taking of drugs, other than under the direction of a Doctor.
- Riding in or driving any motor-driven vehicle in a race, stunt show or speed test.
- Operating, or training to operate, or service as a crew member of, or jumping, parachuting or falling from, any aircraft or hot air balloon, including those which are not motor-driven. Flying as a fare-paying passenger is not excluded.
- Engaging in hang-gliding, bungee jumping, parachuting, sailgliding, parasailing, parakiting, kitesurfing or any similar activities.
- Practicing for, or participating in, any semi-professional or professional competitive athletic contests for which any type of compensation or remuneration is received.
- Work for pay, profit or gain.

A claimant includes you or your Spouse if your Spouse has continued coverage under the PORTABILITY FOLLOWING DEATH provision.

NOTICE OF CLAIM

Notice of claim should be given to us within 30 days after the date of loss. The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or can be requested from us. If the form is not received from us within 15 days of the request, Written proof of claim may be sent to us without waiting for the form. However, proof of claim must be provided no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION

We may require your Child to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require the claimant to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS

Benefits under this rider are payable to you. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH, any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse's estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

DEFINITIONS

Doctor means a person who is licensed to practice medicine in the state in which treatment is received and providing treatment or advice in accordance with the license. State law may require consideration of professional services of a practitioner other than a medical physician. If so, then this definition includes persons recognized as qualified to treat the condition for which claim is made by the state in which treatment is received. This definition does not include you or your spouse, or your or your spouse's children, parents, grandparents, grandchildren, siblings and their spouses.

Total Disability or Totally Disabled means that due to an injury or sickness you are unable to perform the material duties of your regular job, and you are unable to perform for remuneration or profit any other job for which you are fit by education, training or experience.

Waiting Period means the 3 month period immediately following the date you stop Active Employment during which you are continuously Totally Disabled. If you return to work for a total of 30 days or less during the Waiting Period and then stop work again due to the same Total Disability, your Waiting Period will not be interrupted.

GENERAL PROVISIONS

ELIGIBILITY

If you are working for the Employer in an eligible class (shown in the Certificate's SCHEDULE OF BENEFITS), then you are eligible for this rider on the latest of the following:

- The Policy effective date.
- The date this rider is available to the eligible class of Insured Persons to which you belong.
- Your Accident-Only coverage effective date.

EFFECTIVE DATE

You will be covered at 12:01 a.m. standard time at the Policyholder's address on the date you are eligible for this rider.

TERMINATION

This

rider will terminate on the earliest of the following:

- The date your Certificate terminates.
- The date this rider is terminated for all Insured Persons under the Policy.

This rider will not terminate while premiums are being waived under the terms of this rider.

TERMINATION OF COVERAGE

The TERMINATION OF COVERAGE provision in your Certificate is revised to add this item to the terms under which your coverage ends:

- The date premiums are no longer being waived under the Waiver of Premium Rider, if you are not in an eligible class on that date.

The TERMINATION provision in your Spouse Accident-Only Insurance Rider is revised to add this item to the terms under which your Spouse coverage ends:

- The date we approve a claim under the Waiver of Premium Rider.

The TERMINATION provision in your Children's Accident-Only Insurance Rider is revised to add this item to the terms under which your Children's coverage ends:

- The date we approve a claim under the Waiver of Premium Rider.

WAIVER OF PREMIUM BENEFIT

If you become Totally Disabled while covered under this rider and meet the other conditions below, we will waive premiums due under the Policy and continue insurance during your Total Disability, according to the terms of this rider. When we waive premiums, the amount of continued Accident-Only insurance equals the amount that would have been provided if you had not become Totally Disabled. That amount will reduce or stop according to the Certificate and riders in effect on the date Total Disability began. Premiums that are waived are not deducted from any proceeds that may become payable.

Continued Accident-Only insurance includes the following if effective on the date before your Total Disability began:

- Accident-Only insurance.

Continued Accident-Only insurance does not include:

- Supplemental coverage under the Spouse Accident-Only Rider.
- Supplemental coverage under the Children's Accident-Only Rider.
- Spouse or Children's coverage under the Wellness Benefit Rider.
- Spouse or Children's coverage under the AD&D Rider.
- any continuation rider(s).

Any rider or coverage that is not eligible for waiver of premium under this rider will terminate on the date that coverage would otherwise end due to your termination of Active Employment.

Continued insurance is subject to all other terms of the Policy.

CONDITIONS FOR WAIVER OF PREMIUM

All of the following conditions must be met in order to waive premiums:

- Total Disability begins before your 60th birthday.
- You are covered under this rider on the date your Total Disability begins.
- You are continuously Totally Disabled for the entire Waiting Period. Premiums due during the Waiting Period are subject to the continuation provision(s) of any riders.
- All premiums due for Accident-Only insurance and this rider are paid to us through the date we approve your claim for waiver of premium or the date the continuation period under any rider ends, whichever is earlier. Premiums due are payable by the Policyholder or you as applicable.
- You provide notice of claim and proof of Total Disability to us as described below.

NOTICE OF CLAIM AND PROOF OF TOTAL DISABILITY

You must send us written notice of claim while you are living, while you are Totally Disabled, and within 12 months of the date your Total Disability begins. Failure to give notice within 12 months will not invalidate or reduce any claim if it is shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Notice of claim includes proof of your Total Disability. Proof of your Total Disability includes information from your Doctor, at your expense, regarding your condition and your inability to work. We may require additional information from the Employer in order to verify eligibility. We may also require you to be interviewed by our authorized representative. Proof of your Total Disability, including any attachments indicated on the claim form(s) as required, should be sent directly to us at the address indicated on the form(s). Claim forms are available from the Employer or us.

We have the right to request a second or third medical opinion, at our expense, in order to determine if you are Totally Disabled. Any second medical opinion may include a physical examination by a Doctor or other medical practitioner of our choice. In the case of conflicting medical opinions, Total Disability will be determined by a third medical opinion that is provided by a Doctor who is mutually acceptable to you and us.

The following only applies in the event that any claim under the Policy is not governed by the Employee Retirement Income Security Act of 1974, as amended (ERISA). Under Colorado law, if your claim has been denied in whole or in part, and you have exhausted your administrative remedies, you are entitled to have your claim reviewed de novo in any court with jurisdiction and to a trial by jury.

EFFECTIVE DATE OF WAIVER OF PREMIUM

When we approve your claim, premiums are waived as of the date after the Waiting Period ends. We will refund any unearned premiums we receive to the Policyholder or to you, as appropriate. We will notify you in writing when your claim is approved.

We will notify you and the Employer if we deny your claim.

If we approve a claim for which notice of claim was provided to us more than 12 months after the date your Total Disability began, then any refund of unearned premiums will not exceed 12 months of premiums dating back from the date the notice of claim was received by us.

After your claim is approved, we may periodically request additional proof of your continuing Total Disability, but not more frequently than once every six months.

TERMINATION OF WAIVER OF PREMIUM

We will stop waiving premiums on the earliest of the following dates:

- The date you are no longer Totally Disabled.
- The date you do not give us proof of Total Disability as requested.
- The end of the 24 month period during which your premiums are waived.

If premiums are no longer waived, insurance under the Policy will stay in force only if all of the following conditions are met:

- Accident-Only insurance is in force for Insured Persons under the Policy, and
- You are in an eligible class for coverage under the Policy, and
- Your premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your premium payments are resumed.

The Injury must occur, and the loss resulting from the Injury must begin, while the Covered Person is covered under this rider.

Accidental Death: A benefit is payable if Injuries received in a Covered Accident cause a Covered Person's death within 90 days after the Covered Accident. Your benefit is payable to your named Accidental death beneficiary. If there is no named beneficiary, benefits will be paid according to the BENEFIT PAYMENTS provision in the Certificate. Your Spouse's and Child's benefit is payable to you. Note: No Accidental death benefit is payable if the Covered Person is eligible for the common carrier benefit.

Common Carrier: A benefit is payable if Injuries received in a Covered Accident occur while a Covered Person is a fare paying passenger in a common carrier, and the Injuries cause the Covered Person's death within 90 days after the Covered Accident. Your benefit is payable to your named Accidental death beneficiary. If there is no named beneficiary, benefits will be paid according to the BENEFIT PAYMENTS provision in the Certificate. Your Spouse's and Child's benefit is payable to you.

"Common carrier" for this benefit means any commercial transportation that operates on a regularly scheduled basis between predetermined points or cities.

Dismemberment: A benefit is payable to you if a Covered Person's loss (as described below) occurs within 90 days after a Covered Accident. The benefit amount varies based on the type of loss as shown on the SCHEDULE OF BENEFITS. The types of eligible loss under this benefit are limited to the following:

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
 - **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
 - A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
 - If the person is provided coverage by the guaranty association of another state.
 - Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
 - Employer and association plans, to the extent they are self-funded or uninsured
 - A policy or contract providing any health care benefits under Medicare Part C or Part D
 - An annuity issued by an organization that is only licensed to issue charitable gift annuities
 - Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
 - Any policy of reinsurance unless an assumption certificate was issued
 - Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).
-

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent.
