ACCIDENT-ONLY COVERAGE

**THE CERTIFICATE PROVIDES LIMITED BENEFITS
BENEFITS PROVIDED ARE SUPPLEMENTAL AND ARE NOT INTENDED TO COVER
MEDICAL EXPENSES**

OUTLINE OF COVERAGE

- (1) Read Your Certificate Carefully. This outline of coverage provides a very brief description of the important features of the coverage. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of the Policyholder, you, and ReliaStar Life Insurance Company. It is, therefore, important that you READ YOUR CERTIFICATE CAREFULLY!
- (2) Accident-only coverage is designed to provide, to persons insured, coverage for certain losses resulting from a covered accident ONLY, subject to any limitations contained in the policy. Coverage is not provided for basic hospital, basic medical-surgical, or major medical expenses.
- (3) The policy provides benefits if a covered person receives any of the services or meets any of the conditions included in the "Schedule of Benefits" as a result of injuries received in a covered accident. The general categories of benefits are: Accident Hospital Care, Accident Care and Common Injuries. A partial listing of losses follows. Please consult your certificate and riders for specific information about how these terms are used, any requirements that describe qualifying for a particular loss, and the benefit amounts. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of benefits available under the policy.
- Accident Hospital Care includes: surgery; blood, plasma, platelets; hospital admission; hospital confinement; coma; transportation; and lodging. At the Policyholder's option, it may also include: critical care unit confinement, rehabilitation facility confinement; or family care benefits.
 - Accident Care includes: medical equipment; physical or occupational therapy; and prosthetic devices. At the Policyholder's option, it may also include: initial doctor visit; urgent care facility treatment; emergency room treatment; ambulance benefits; follow-up doctor treatment, chiropractic care; speech therapy; major diagnostic exams; or x-rays.
 - Common Injuries includes: burns; skin grafts; emergency dental work; eye injuries; torn knee cartilage; lacerations; ruptured disk; tendon/ligament/rotator cuff; concussion; paralysis; dislocations and fractures.
- (4) Accident-only coverage is subject to exclusions which may prevent benefits from being paid. Also, benefit payment is contingent on proof of loss which may require additional information be provided prior to claim determination, and there is generally a requirement that services or conditions be met within a certain time period following a covered accident. The Policyholder may also choose to have an eligibility waiting period, during which time no coverage is in force. **Riders may have benefit reductions or termination provisions based on age.**

The exclusions that apply to all provisions for Accident-only coverage are provided in the "Exclusions" section of the certificate and any riders. The "Schedule of Benefits", the Benefits section(s) and the "Exclusions" section of the certificate and any riders provide specific information about the conditions for receiving benefits and any limitations. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of the exclusions and limitations under the policy.

- (5) Your coverage will continue under the policy, while the policy remains in force, as long as you continue to meet the eligibility requirements and all premiums due are paid. You may have the option to continue your coverage by direct payment of premiums to ReliaStar Life Insurance Company after you no longer meet the eligibility requirements.

The eligibility requirements for a spouse and children may include age limitations, as provided in the riders. If you pay all or part of the cost of coverage, then the enrollment materials you received also contain a description of any age restrictions under the policy.

The Policyholder may change the terms of the policy at any time with ReliaStar Life Insurance Company's agreement. The Policyholder or ReliaStar Life Insurance Company may terminate the policy at any time. ReliaStar Life Insurance Company reserves the right to change premiums at any time according to the terms of the policy.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited under Utah law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org, or contact:
