What is the Wellness Benefit?

The Wellness Benefit is a rider that is included with your Critical Illness coverage. It provides an annual benefit payment if you complete a health screening test on or after your coverage effective date, whether or not there is any out-of-pocket cost to you. You only need to complete one health screening test. Note that you may only receive a benefit payment once per year, even if you complete multiple health screening tests. If your spouse/domestic partner and or children are covered for Critical Illness Insurance they are also covered for this benefit.

How can the Wellness Benefit help?

Regular health screenings increase the chance of a positive outcome when serious illnesses are detected early. The Wellness Benefit encourages you to get regular health screenings.
